

# SQUIB ROD - 32 CALIBER SQUIB ROD 8" LONG 2 PACK

[Gunsmith Tools & Supplies](#) > [Handgun Tools](#) > [Stuck Case Removers](#)

## No-Mar Brass Rod Knocks Stuck Bullets Out Of Bores

Don't let a stuck bullet from a "squib" or weak load cut short a shooting session. Far superior to other rods or makeshift punches, this non-marring brass rod fits the bore closely, can't wedge between bullet nose and rifling. Each rod is drilled and tapped to thread onto a Dewey cleaning rod; very handy for knocking stuck bullets out of rifle barrels.

## Attributes

- Name: [32 CALIBER SQUIB ROD 8" LONG 2 PACK](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 084175032
- Mfr. No.:

# SQUIB ROD 32 CALIBER SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the SQUIB ROD 32 CALIBER. This guide provides essential safety instructions to ensure the safe use of your product. Please read this document carefully before using the SQUIB ROD, and keep it for future reference.

## General Safety Guidelines

- Always handle firearms and ammunition with care and responsibility.
- Ensure that you are familiar with the operation and safety features of your firearm before using the SQUIB ROD.
- Use the SQUIB ROD only for its intended purpose: to remove stuck bullets from rifle barrels.
- Keep the SQUIB ROD out of reach of children and unauthorized users.
- Regularly inspect the SQUIB ROD for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Wear Safety Gear:** Always wear appropriate safety gear, including safety glasses and gloves, when using the SQUIB ROD.
- **Check Compatibility:** Ensure that the SQUIB ROD is compatible with your firearm's caliber before use.
- **Avoid Force:** Do not use excessive force when inserting or removing the SQUIB ROD to prevent damage to the firearm or the rod itself.
- **Use in a Controlled Environment:** Use the SQUIB ROD in a safe and controlled environment, away from distractions and potential hazards.
- **Follow Manufacturer Instructions:** Always adhere to the manufacturer's instructions for use and care of the SQUIB ROD.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Inspect the bore of the rifle to confirm the presence of a stuck bullet.

### 2. Attaching the SQUIB ROD:

- Select the appropriate size rod from the kit.
- If necessary, attach the rod to a Dewey cleaning rod using the provided adapters (832 to 1228).
- Ensure the rod is securely fastened before proceeding.

### 3. Removing the Stuck Bullet:

- Carefully insert the SQUIB ROD into the bore until it contacts the stuck bullet.
- Gently tap the end of the rod with a mallet or similar tool to dislodge the bullet.
- Do not apply excessive force; repeat the process as needed until the bullet is removed.

### 4. PostUse:

- After successfully removing the stuck bullet, clean the bore of the firearm to remove any debris.

- Store the SQUIB ROD in a safe location, away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of any damaged or worn SQUIB ROD components responsibly.
- Follow local regulations for the disposal of metal products.
- Do not dispose of the SQUIB ROD in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the SQUIB ROD, please refer to the manufacturer's contact information provided with the product packaging. Ensure to reach out for support in case of any safety inquiries or product issues.

By following these safety instructions, you can ensure a safe and effective experience with your SQUIB ROD 32 CALIBER. Thank you for your attention to safety.
