Safety Instruction Guide for ALUMAHYDE REPLACEMENT SPRAY NOZZLES BROWNELLS METAL COAT EPOXY REPLACEMENT NOZZLE B, 12 PACK

Introduction

Thank you for choosing the ALUMAHYDE REPLACEMENT SPRAY NOZZLES BROWNELLS METAL COAT EPOXY REPLACEMENT NOZZLE B, 12 PACK. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the nozzles.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the nozzles regularly for signs of wear or damage. Do not use damaged nozzles.
- Ensure proper ventilation when using the nozzles to avoid inhalation of fumes or vapors.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Dispose of the product responsibly according to local regulations.

Specific Safety Precautions for Use

- **Clogged Nozzles:** If a nozzle becomes clogged, use a Clean Out Nozzle to clear the pickup tube before replacing it.
- **Adjustable Tips:** The black tips in the nozzle are adjustable up to 90 degrees. Ensure the tip is securely locked in place before use.
- **Personal Protective Equipment (PPE):** Wear appropriate PPE, including gloves and safety goggles, when using the nozzles to protect against potential splashes or spills.
- **Chemical Compatibility:** Ensure that the materials being sprayed are compatible with the nozzles to avoid chemical reactions or damage.

Instructions for Installation and Usage

1. Installation:

- Remove the old nozzle by unscrewing it from the spray gun or canister.
- Take a new replacement nozzle from the pack.
- Screw the new nozzle onto the spray gun or canister securely.
- Adjust the nozzle tip to the desired angle (up to 90 degrees) for optimal spray pattern.

2. Usage:

- Shake the canister or spray gun gently before use to mix the contents properly.
- Test the spray pattern on a scrap surface before applying it to the intended area.
- Maintain a safe distance from the surface being sprayed to ensure an even application.
- After use, clean the nozzle with a suitable solvent to prevent clogging.

Disposal Instructions

- Dispose of the nozzles and any associated packaging in accordance with local waste disposal regulations.
- Do not dispose of the nozzles in household waste if they contain hazardous materials. Check local

guidelines for hazardous waste disposal.

Contact Information for Further Support

For safety inquiries or concerns regarding the ALUMAHYDE REPLACEMENT SPRAY NOZZLES BROWNELLS METAL COAT EPOXY REPLACEMENT NOZZLE B, 12 PACK, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Please keep this safety instruction guide for future reference. Your safety is our priority, and following these guidelines will help ensure a safe and effective experience with the product.
