Safety Instruction Guide for BRASS ROUNDS FLATS & SQUARES BROWNELLS 3/8" X 1" BRASS FLAT

Introduction

Thank you for choosing the BRASS ROUNDS FLATS & SQUARES BROWNELLS 3/8" X 1" BRASS FLAT. This product is designed for safe use in various applications, including gun work and hobbies. Please read this safety instruction guide carefully to ensure safe handling, usage, and disposal of this brass flat.

General Safety Guidelines

- Always ensure that the workspace is clean and free from hazards before starting any work with the brass flat.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against potential injuries.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental harm.
- Regularly inspect the brass flat for any signs of damage or wear before use. If any defects are found, do not use the product.
- Report any unsafe products or accidents to the appropriate authorities as required by EU regulations.

Specific Safety Precautions for Use

- Handle the brass flat with care to avoid cuts or injuries from sharp edges.
- When cutting or shaping the brass flat, ensure that the tools used are appropriate and in good condition.
- Avoid inhaling any dust or particles generated during the use of the brass flat. Use a dust mask if necessary.
- Ensure proper ventilation in the workspace to minimize exposure to any fumes or dust.
- Do not use the brass flat for any purpose other than those specified by the manufacturer.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure the workspace is welllit and organized.

2. Cutting the Brass Flat:

- Use a suitable cutting tool, such as a hacksaw or a band saw, designed for metalworking.
- Secure the brass flat in a vice to prevent movement during cutting.
- Cut slowly and steadily to maintain control and avoid accidents.

3. Shaping and Finishing:

- Use files or sandpaper to smooth any rough edges after cutting.
- Ensure that the brass flat is free from sharp edges before handling or installation.

4. Installation:

- Follow the specific instructions for your project when installing the brass flat.
- Ensure that all components are securely fastened and that there is no risk of movement during

use.

5. PostUse Care:

- Clean the brass flat after use to remove any debris or residue.
- Store the brass flat in a dry, safe place away from children and pets.

Disposal Instructions

- Dispose of any leftover pieces or waste material in accordance with local regulations.
- Do not dispose of the brass flat in regular household waste. Check with local recycling facilities for proper disposal methods.
- Ensure that any sharp edges are covered or made safe before disposal to prevent injury to waste handlers.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of the BRASS ROUNDS FLATS & SQUARES BROWNELLS 3/8" X 1" BRASS FLAT, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure the safe and effective use of the BRASS ROUNDS FLATS & SQUARES BROWNELLS 3/8" X 1" BRASS FLAT. Thank you for your attention to safety!
