

REPAIR LOG BOOKS - BROWNELLS REPAIR LOG INVOICE FORMS, 2-PART, 100 PACK

[Gunsmith Tools](#) > [Shop Accessories & Supplies](#) > [Repair Log Books](#)

Two choices of gunsmith-designed forms for recording incoming repairs and tracking them through the billing process. Both styles have plenty of room to note requested repairs, work performed, and special notes by the gunsmith. Also includes space for gun and owner info and check-off blocks for items left with the gun (sling, lens covers, scope, etc.). Modern impression paper makes a duplicate copy without the mess of carbon paper. Plenty of room at the top to print or stamp your store or shop logo. 3-PART FORM - All-in-one, 3-part form includes has one copy for your customer, one for your bookkeeper, and one to stay with the gun. Each form is consecutively numbered for easy job tracking. Compact 5½" x 9½" size, and punched to fit a 2-ring clipboard with standard 2¾" hole spacing.

A sample of a Brownells Repair Log Invoice Form. The form is titled "REPAIR INVOICE" and is divided into several sections. At the top, there are fields for "CUSTOMER NAME", "ADDRESS", "CITY", "STATE", "ZIP", and "PHONE". Below these are fields for "GUN MAKE", "GUN MODEL", "GUN CALIBER", and "GUN SERIAL". There is a large section for "REPAIR NOTES" with multiple lines for writing. At the bottom, there are fields for "DATE", "TIME", "GUNSMITH", and "CUSTOMER SIGNATURE". The form is designed to be used as a 3-part form, with one copy for the customer, one for the bookkeeper, and one to stay with the gun.

REPAIR LOG BOOKS BROWNELLS REPAIR INVOICE 2PART FORMS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Brownells Repair Invoice 2Part Forms. This guide provides essential safety instructions and general information to ensure safe and effective use of the product. Please read this document carefully to understand the proper handling and use of the repair log books.

General Safety Guidelines

- Ensure that the forms are used in a clean and dry environment to maintain their quality.
- Keep the forms away from moisture to prevent damage to the paper and printed information.
- Store the forms in a safe location out of reach of children to avoid misuse.
- Do not use the forms for any purpose other than intended, which is to record repairs and track billing processes.

Specific Safety Precautions for Use

- Handle the forms with clean hands to avoid transferring dirt or oils onto the pages.
- Use only appropriate writing instruments (e.g., ballpoint pens) to prevent smudging or bleeding of ink.
- Ensure that the forms are filled out clearly and legibly to avoid miscommunication regarding repairs.
- Regularly check for any updates or recalls related to the product through the EU Safety Gate platform.

Instructions for Installation and Usage

1. Preparation:

- Remove the forms from the packaging carefully to avoid tearing.
- Inspect the forms for any visible damage before use.

2. Filling Out the Forms:

- Use the designated areas to note:
 - Customer information
 - Gun details
 - Requested repairs
 - Work performed
 - Special notes
- Ensure that all information is accurate and complete.

3. Tracking Repairs:

- Use the consecutively numbered forms for easy tracking of jobs.
- Retain one copy for your records and provide the other to the customer.

4. Storage:

- After use, store the filled forms in a secure location.
- Keep the forms organized to facilitate easy access when needed.

Disposal Instructions

- Dispose of any unused or damaged forms in accordance with local waste management regulations.
- If the forms contain sensitive information, ensure that they are shredded or otherwise securely disposed of to protect personal data.

Contact Information for Further Support

For any questions or concerns regarding the use of the Brownells Repair Invoice 2Part Forms, please refer to the manufacturer's guidelines or contact your local distributor for assistance.

This safety instruction guide is designed to ensure that consumers can use the Brownells Repair Invoice 2Part Forms safely and effectively while adhering to EU General Product Safety Regulations. Thank you for your attention to these important safety measures.
