

REPAIR LOG BOOKS - BROWNELLS REPAIR LOG INVOICE FORMS, 2-PART, 500 PACK

[Gunsmith Tools](#) > [Shop Accessories & Supplies](#) > [Repair Log Books](#)

Two choices of gunsmith-designed forms for recording incoming repairs and tracking them through the billing process. Both styles have plenty of room to note requested repairs, work performed, and special notes by the gunsmith. Also includes space for gun and owner info and check-off blocks for items left with the gun (sling, lens covers, scope, etc.). Modern impression paper makes a duplicate copy without the mess of carbon paper. Plenty of room at the top to print or stamp your store or shop logo. 3-PART FORM - All-in-one, 3-part form includes has one copy for your customer, one for your bookkeeper, and one to stay with the gun. Each form is consecutively numbered for easy job tracking. Compact 5½" x 9½" size, and punched to fit a 2-ring clipboard with standard 2¾" hole spacing.

REPAIR LOG BOOKS BROWNELLS REPAIR INVOICE 2PART FORMS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Brownells Repair Invoice 2Part Forms. This guide provides essential safety instructions to ensure the safe and effective use of this product. It adheres to the EU General Product Safety Regulation (GPSR) to protect consumers and enhance safety.

General Safety Guidelines

- Ensure that the log book is used in a clean and dry environment to prevent damage to the forms.
- Keep the log book out of reach of children to avoid any potential misuse or accidents.
- Regularly check for updates regarding product recalls or safety notices on the EU's Safety Gate platform.
- Report any unsafe product experiences or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only for its intended purpose: recording repairs and tracking billing processes.
- Avoid using any writing instruments that may bleed through the paper, as this could compromise the readability of the forms.
- Do not expose the log book to excessive moisture or heat, which could damage the paper and affect its usability.
- Ensure that the forms are stored flat and not folded or crumpled to maintain their integrity.

Instructions for Installation and Usage

- **Setup:**
 - Remove the log book from its packaging.
 - Ensure that the forms are aligned correctly in the log book for easy access.
- **Usage:**
 - When recording a repair, fill in the requested repairs, work performed, and any special notes clearly.
 - Use the designated spaces for gun and owner information accurately.
 - Utilize the checkoff blocks for items left with the gun (e.g., sling, lens covers, scope) to ensure all items are accounted for.
- **Duplicate Copies:**
 - Make sure to press firmly when writing to ensure the modern impression paper creates a clear duplicate copy without the mess of carbon paper.
- **Storage:**
 - After use, store the log book in a cool, dry place to prevent deterioration.
 - Keep the log book organized and free from clutter to facilitate easy retrieval of information.

Disposal Instructions

- Dispose of the log book in accordance with local regulations regarding paper disposal.

- If the log book is damaged or no longer needed, consider recycling it where possible to minimize environmental impact.
