Safety Instruction Guide for Aluminum Oxide Abrasive Blasting Grit

Introduction

Thank you for choosing the Aluminum Oxide Abrasive Blasting Grit, Coarse, 120 Grit, 6 lbs. This product is designed to enhance the appearance of metal surfaces through controlled abrasive blasting. Please read and follow these safety instructions carefully to ensure safe and effective use.

General Safety Guidelines

- Always use personal protective equipment (PPE) such as gloves, goggles, and respiratory protection when handling and using this product.
- Keep the product out of reach of children and pets.
- Ensure proper ventilation in the work area to avoid inhalation of dust.
- Do not use the product near open flames or heat sources.
- Follow local regulations for the disposal of abrasive materials.

Specific Safety Precautions for Use

- Avoid skin contact; wash hands thoroughly after handling.
- Do not ingest the product; it is not food.
- In case of inhalation, move to fresh air and seek medical attention if symptoms persist.
- If the product comes into contact with eyes, rinse immediately with plenty of water and seek medical advice.
- Store in a cool, dry place, away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Preparation:

- Ensure the work area is clean and free from unnecessary items.
- Wear appropriate PPE.
- Check the condition of the blasting equipment before use.

2. Mixing and Application:

- Open the screwtop plastic jar carefully to avoid dust release.
- If using a blasting machine, follow the manufacturer's instructions for loading the grit.
- Adjust the blasting pressure according to the surface material and desired effect.

3. Blasting Technique:

- Hold the blasting nozzle at a consistent distance from the surface for even application.
- Move the nozzle in a controlled manner to avoid overblasting in one area.
- Monitor the surface closely to achieve the desired cosmetic effect without losing detail.

4. PostApplication:

- Clean the work area and equipment thoroughly after use.
- Dispose of any leftover abrasive material according to local regulations.

Disposal Instructions

- Dispose of unused or waste abrasive material in accordance with local environmental regulations.
- Do not throw the product in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding this product, please refer to the manufacturer's contact details provided on the packaging or the product's website.

By following these guidelines, you can ensure a safe and effective experience while using Aluminum Oxide Abrasive Blasting Grit. Always prioritize safety and adhere to local regulations. Thank you for your cooperation.
