Safety Instruction Guide for Aluminum Oxide Abrasive Blasting Grit

Introduction

Thank you for choosing Brownells Aluminum Oxide Abrasive Blasting Grit. This product is designed for controlled abrasive blasting to enhance the cosmetic appearance of metal surfaces. This guide provides essential safety instructions to ensure safe handling and usage in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is stored in a cool, dry place, away from direct sunlight.
- Keep the product out of reach of children and pets.
- Always wear appropriate personal protective equipment (PPE) when using this product, including:
 - Safety goggles
 - Dust mask or respirator
 - Gloves
- Be aware of your surroundings and ensure adequate ventilation when using this product.
- Do not use this product near open flames or sources of ignition.

Specific Safety Precautions for Use

• Potential Hazards:

- Inhalation of dust may cause respiratory irritation.
- Contact with skin or eyes may cause irritation.
- Improper handling may lead to spills and environmental hazards.

• Avoiding Hazards:

- Use in a wellventilated area to minimize dust inhalation.
- Do not eat, drink, or smoke while using this product.
- If the product comes into contact with skin or eyes, rinse immediately with plenty of water and seek medical attention if irritation persists.
- Follow proper waste disposal methods to prevent environmental contamination.

• Agespecific Warnings:

- This product is not intended for use by individuals under the age of 18. Keep out of reach of children.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the work area is clean and free from unnecessary items.
- Read all instructions and safety guidelines before use.

2. Using the Product:

- Pour the desired amount of aluminum oxide grit into the blasting equipment.
- Adjust the blasting pressure according to the manufacturer's specifications for the equipment.

being used.

- Begin blasting at a distance recommended by the equipment manufacturer to avoid damage to the surface.

3. PostUse:

- After use, clean the work area thoroughly to remove any residual grit.
- Store any unused grit in its original container, tightly sealed, and in a safe location.

Disposal Instructions

- Dispose of any unused product and packaging in accordance with local regulations.
- Do not dispose of the product in household waste. Check with local authorities for approved disposal methods.

Contact Information for Further Support

For any safety inquiries or further support regarding this product, please contact the manufacturer directly through their official channels.

Thank you for prioritizing safety while using Brownells Aluminum Oxide Abrasive Blasting Grit. Your adherence to these guidelines helps ensure a safe and effective experience.
