

AR-15 REPLACEMENT BRUSH - RECEIVER BRUSH, .22 CALIBER/AR-15, BRONZE, 5/16-27M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Chamber Brushes](#)

Make short work of cleaning heavily fouled AR-15 upper receivers, right down to the locking lug recess. Specially sized and shaped bronze receiver brush quickly loosens stubborn carbon residue from the bolt carrier way and locking lug recess.

AR15 Replacement Brush Safety Instruction Guide

Introduction

Thank you for choosing the AR15 Replacement Brush. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the brush.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the brush out of reach of children and vulnerable individuals.
- Inspect the brush for any damage before use. Do not use if damaged.
- Store the brush in a dry place to prevent rust and deterioration.
- Always wear appropriate protective gear, such as gloves and eye protection, when cleaning firearms.
- Do not use the brush on any part of the firearm that is not specified in the instructions.

Specific Safety Precautions for Use

- Use the brush only on AR15 upper receivers and components as described in the product specifications.
- Avoid excessive force when cleaning to prevent damage to the firearm.
- Do not use the brush with any solvents or cleaning agents not recommended by the firearm manufacturer.
- Ensure the firearm is unloaded and the chamber is clear before cleaning.
- Do not use the brush if you are unsure about the cleaning process. Consult a professional if needed.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the AR15 Replacement Brush.

2. Cleaning Process

- Insert the AR15 Replacement Brush into the locking lug recess of the upper receiver.
- Gently move the brush back and forth to remove carbon residue and fouling.
- Pay special attention to the bolt carrier way and locking lug recess.
- After cleaning, inspect the area to ensure all residue has been removed.

3. Post-Cleaning Care

- Rinse the brush under warm water to remove any debris.
- Allow the brush to dry completely before storing it.

Disposal Instructions

- Dispose of the brush in accordance with local regulations.
- Do not dispose of the brush in regular household waste if it is damaged or contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AR15 Replacement Brush, please contact the manufacturer or your local distributor. Ensure you have the product information available for reference.

Thank you for your attention to these safety guidelines. Your safety and the proper use of the AR15 Replacement Brush are our top priorities.
