# AR15 Replacement Bore Mops Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Replacement Bore Mops. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the Bore Mops to understand how to handle, use, and dispose of them safely.

## General Safety Guidelines

- Always keep the Bore Mops out of reach of children and pets.
- Do not use the Bore Mops for any purpose other than cleaning AR15 firearms.
- Inspect the Bore Mops before each use for any signs of wear or damage. Do not use if damaged.
- Ensure that the firearm is unloaded before cleaning.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the Bore Mops in a wellventilated area to avoid inhaling any harmful fumes from cleaning agents.
- Wear protective eyewear to prevent any debris from entering the eyes during cleaning.
- Use gloves to protect your hands from exposure to cleaning solvents and residues.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the Bore Mops.
- Ensure that the area where you are cleaning is free from flammable materials.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary cleaning supplies, including the AR15 Replacement Bore Mops and appropriate cleaning solvents.
- Ensure that your AR15 firearm is completely unloaded.

### 2. Using the Bore Mops:

- Insert the Bore Mop into the bore of the AR15.
- Gently push the Bore Mop through the barrel, allowing it to loosen carbon residue.
- Repeat the process until the bore is clean. If necessary, apply a cleaning solvent to the Bore Mop for better results.
- Clean the locking lug recess using the Bore Mop to remove any stubborn carbon buildup.

### 3. PostCleaning:

- After cleaning, inspect the Bore Mop for any signs of wear. Dispose of it if damaged or excessively worn.
- Store the Bore Mops in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of used Bore Mops according to local regulations.
- Do not dispose of Bore Mops in the general waste if they are contaminated with cleaning solvents. Follow hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the AR15 Replacement Bore Mops, please reach out to your local distributor or manufacturer's customer service. Ensure that you have the product information and any relevant details when making your inquiry.

By following these safety instructions, you can ensure a safe and effective cleaning process for your AR15 firearm. Thank you for prioritizing safety and responsible usage.
