PERSONAL FIREARMS LOG Safety Instructions

Introduction

Thank you for purchasing the PERSONAL FIREARMS LOG. This product is designed to help you keep track of important information about your firearms in a safe and organized manner. To ensure your safety and the safety of others, please follow the guidelines outlined in this manual.

General Safety Guidelines

- Always store your firearms in a secure location.
- Keep this log in a safe place, away from children and unauthorized users.
- Regularly review the log to ensure that all information is accurate and up to date.
- Report any unsafe products or accidents related to firearms to the relevant authorities.
- Stay informed about any recalls or safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the log is used only for its intended purpose – tracking firearm information.
- Do not use the log to store sensitive information that could compromise your safety.
- Handle the log with clean hands to avoid transferring dirt or oils.
- Avoid exposing the log to extreme temperatures or moisture, as this can damage the materials.

Instructions for Installation and Usage

1. Setup

- Open the folder and familiarize yourself with the layout.
- Each folder includes 25 individual polypropylene page protectors for secure storage.

2. Filling Out the Log

- Record the following information for each firearm:
