

# ROUND 100% COTTON FLANNEL CLEANING PATCHES - BROWNELLS ROUND COTTON FLANNEL PATCHES, .875" .17/.22 CAL, 1000 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

Now you can choose your favorite size of Brownells round cleaning patch without buying more than you need. High-quality, 100% Cotton Flannel Patches in convenient, resealable bags. Saves weight and space, perfect for hunting or shooting excursions. 100 or 1000 patches per bag.

Save money and get guns cleaner. These round patches are made of 100% cotton flannel, fleeced on both sides to be extra absorbent, and bulk packed in 1000's. All natural fibers carry far more solvent or oil into a bore than any synthetic patch can. Soak up and carry far more crud and fouling out! Big Price savings from buying in bulk, gives lots more patches for the buck. Hundreds of other uses, too.

# Safety Instruction Guide for ROUND 100% COTTON FLANNEL CLEANING PATCHES

## Introduction

Thank you for choosing Brownells Round 100% Cotton Flannel Cleaning Patches. This guide provides important safety information and usage instructions to ensure a safe and effective experience with our product. Please read this guide thoroughly before using the cleaning patches.

## General Safety Guidelines

- Ensure safe use of the cleaning patches by following these guidelines:
  - Always store the product in a cool, dry place away from direct sunlight.
  - Keep the cleaning patches out of reach of children and pets.
  - Inspect the product for any damage or wear before use. Do not use if damaged.
  - Use the cleaning patches only for their intended purpose, which is to clean firearms.
- In case of any accidents or unsafe product experiences, report them to the relevant authorities.

## Specific Safety Precautions for Use

- When using cleaning patches, take the following precautions:
  - Avoid contact with eyes and mucous membranes. If contact occurs, rinse thoroughly with water.
  - Do not ingest the cleaning patches or any materials used with them.
  - Ensure that the firearm is unloaded before using the cleaning patches.
  - Use in a wellventilated area to avoid inhaling any dust or fibers from the patches.
  - Follow all safety protocols associated with handling firearms and cleaning supplies.

## Instructions for Installation and Usage

- To use the cleaning patches effectively, follow these steps:
  1. **Preparation:**
    - Ensure your firearm is unloaded and safely positioned.
    - Gather all necessary cleaning supplies, including the cleaning patches, cleaning solvent, and cleaning rod.
  2. **Application:**
    - Take one cleaning patch from the bag.
    - If using a cleaning solvent, apply a small amount to the patch.
    - Attach the patch to the cleaning rod securely.
  3. **Cleaning:**
    - Insert the cleaning rod with the patch into the firearm's bore.
    - Move the rod back and forth gently to clean the interior surfaces.
    - Remove the patch and inspect it for dirt and debris.
  4. **Repeat:**
    - Use additional patches as necessary until the firearm is clean.
  5. **PostCleaning:**
    - Dispose of used patches responsibly.
    - Clean the cleaning rod and any other tools used.

## Disposal Instructions

- Dispose of used cleaning patches in accordance with local waste disposal regulations.
- Do not dispose of the cleaning patches in recyclable materials unless specified by local guidelines.
- Store unused cleaning patches in their resealable bag to maintain their quality and prevent

contamination.

## Contact Information for Further Support

- For any inquiries regarding safety or product information, please refer to the contact details provided on the packaging or visit the manufacturer's website.

By following these guidelines and precautions, you can ensure a safe and effective cleaning experience with Brownells Round 100% Cotton Flannel Cleaning Patches. Thank you for your attention to safety.
