

HEAVY-DUTY PATCHES - HEAVY DUTY SQUARE COTTON PATCHES,1.375"/.22/.270CAL, 1000 PK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

A Thousand Times Better Than Synthetic Patches

No more doubling up on patches when you tackle those really dirty bores. Made from a double-thick, soft-napped, 100% cotton, Canton flannel to hold more solvent and absorb more fouling without using twice as many patches. Same size selection, shipping weight and premium quality as our standard Bulk Cleaning Patches.

Safety Instruction Guide for HEAVYDUTY PATCHES

Introduction

Thank you for choosing the HEAVYDUTY PATCHES. These patches are designed for effective cleaning of firearms, ensuring a cleaner bore with fewer patches required. This guide provides essential safety instructions to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the patches are stored out of reach of children and vulnerable individuals.
- Regularly check for any product recalls or safety updates via the EU Safety Gate platform.
- Report any unsafe product incidents or accidents to the appropriate authorities.
- Be aware that online purchases of this product carry the same safety protections as those made in physical stores.

Specific Safety Precautions for Use

- Handle the patches with clean hands to avoid contamination.
- Do not use the patches if they show signs of damage or wear.
- Avoid using the patches with solvents that are not recommended by the firearm manufacturer.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the patches.
- Do not exceed the recommended number of patches for cleaning to avoid clogging or damaging the bore.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the HEAVYDUTY PATCHES, cleaning solvent, and cleaning rod.

2. Using the Patches:

- Select the appropriate size patch based on your firearm's caliber.
- Apply the recommended cleaning solvent to the patch.
- Attach the patch to the cleaning rod.
- Insert the cleaning rod into the bore and push the patch through the barrel.
- Repeat as necessary, using a fresh patch for optimal cleaning.

3. PostUse Care:

- Dispose of used patches in a safe manner, following local regulations for hazardous waste if applicable.
- Clean the cleaning rod with a suitable solvent after use.

Disposal Instructions

- Dispose of used HEAVYDUTY PATCHES in accordance with local waste disposal regulations.
- If the patches are contaminated with solvents or other chemicals, follow local guidelines for hazardous

waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the HEAVYDUTY PATCHES, please reach out to the manufacturer or check the product packaging for further details.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
