# Safety Instruction Guide for STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE

## Introduction

Thank you for choosing the STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read all instructions carefully before using the bore brushes.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Always inspect the brushes for damage before use. Do not use damaged brushes.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Use personal protective equipment, such as safety glasses and gloves, when using bore brushes.
- Be aware of your surroundings to avoid accidents while cleaning firearms.

## Specific Safety Precautions for Use

- Use only with firearms that are compatible with the specified caliber (22 Caliber).
- Avoid using excessive force when using the brushes to prevent damage to the bore or the brush itself.
- Do not leave the brushes unattended while in use.
- Ensure that the firearm is unloaded before cleaning.
- Do not use the brushes on hot surfaces or immediately after firing a firearm.
- Store the brushes in a cool, dry place away from direct sunlight.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary cleaning supplies, including cleaning solvent and patches.

### 2. Installation:

- Select the appropriate bore brush for your firearm caliber (22 Caliber).
- Attach the brush to a cleaning rod with the correct threading (540 threads for .17 and .20 caliber, 832 thread for all others).

### 3. Usage:

- Apply cleaning solvent to the brush.
- Insert the brush into the bore and push it through from the chamber to the muzzle.
- Repeat the process 35 times, ensuring thorough cleaning.
- After cleaning, remove the brush and clean the bore with a patch to remove any residue.
- Dispose of used patches and solvents according to local regulations.

## Disposal Instructions

- Dispose of the bore brushes responsibly. If the brushes are worn or damaged, they should be discarded in accordance with local waste disposal regulations.
- Do not dispose of cleaning solvents or chemicals in regular trash. Follow local guidelines for hazardous

waste disposal.

## Contact Information for Further Support

For any inquiries related to safety or product performance, please contact the manufacturer or refer to the product packaging for further information.

Thank you for following these safety guidelines. Your attention to safety helps ensure a secure and effective cleaning process for your firearms.
