# Safety Instruction Guide for STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE

## Introduction

Thank you for choosing the STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE, specifically designed for the 375 caliber rifle. This guide provides essential safety information and instructions to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the bore brush for damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety goggles and gloves when handling and using the bore brush.
- Follow all local regulations regarding the use of firearms and cleaning equipment.

## Specific Safety Precautions for Use

- Do not apply excessive force when using the bore brush to avoid damage to the brush or the firearm.
- Avoid using the bore brush on firearms that are loaded. Always ensure the firearm is unloaded before cleaning.
- Store the bore brush in a dry place to prevent rust and deterioration.
- Do not use the bore brush in combination with abrasive cleaners or chemicals that may damage the bristles or shank.
- If you experience any discomfort or adverse reaction while using the bore brush, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies and personal protective equipment.

### 2. Installation:

- Attach the bore brush to the appropriate cleaning rod. For the 375 caliber rifle, use the 832 thread for connection.
- Ensure the bore brush is securely fastened to prevent it from detaching during use.

### 3. Usage:

- Insert the bore brush into the rifle's bore gently.
- Rotate the cleaning rod while moving the brush back and forth to thoroughly clean the bore.
- Repeat the process until the bore is clean, checking for any remaining residue.

### 4. PostUse:

- After cleaning, remove the bore brush from the cleaning rod.
- Rinse the bore brush with water to remove any cleaning solvents and debris.
- Dry the bore brush completely before storing it.

## **Disposal Instructions**

- Dispose of the bore brush responsibly according to local regulations.
- Do not dispose of the product in regular household waste if it is contaminated with hazardous materials.
- Consider recycling options for metal components where applicable.

## **Contact Information for Further Support**

For any safety inquiries, product questions, or to report unsafe products, please refer to your local authorities or relevant consumer protection agencies.

Thank you for your attention to these safety instructions. Your safety is our priority.
