# Safety Instruction Guide for STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE

## Introduction

Thank you for choosing the STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE. These brushes are designed to provide effective cleaning for your rifle bore, ensuring optimal performance and longevity of your firearm. Please read this safety instruction guide carefully to ensure safe use and maintenance of the product.

## General Safety Guidelines

- Always use the bore brushes according to the manufacturer's instructions.
- Ensure that the rifle is unloaded before using the bore brush.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Inspect the bore brushes for wear or damage before each use. Do not use damaged brushes.
- Store the bore brushes in a cool, dry place away from direct sunlight.

## Specific Safety Precautions for Use

- When using the bore brush, wear appropriate safety goggles to protect your eyes from debris.
- Avoid using excessive force while cleaning to prevent damage to the bore or the brush.
- Do not use the bore brush for any purpose other than cleaning the rifle bore.
- Ensure that the brush is securely attached to the cleaning rod before use.
- Dispose of worn or damaged brushes properly to avoid injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your rifle is completely unloaded.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solvent.

### 2. Installation:

- Attach the bore brush to the cleaning rod. Ensure it is securely fastened.
- Select the appropriate caliber brush for your rifle (e.g., .35 Caliber, .375 Caliber).

### 3. Usage:

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the rifle bore from the chamber end.
- Gently push the brush through the bore and pull it back out. Repeat this process several times.
- After cleaning, run a dry patch through the bore to remove any remaining solvent and debris.

### 4. PostCleaning:

- Inspect the bore for cleanliness.
- Clean the bore brush with solvent and allow it to dry before storing.

## Disposal Instructions

- Dispose of worn or damaged bore brushes in accordance with local regulations.

- Do not dispose of bore brushes in regular household waste if they are considered hazardous. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please reach out to the appropriate EUbased contact point for product safety.

By following these safety instructions, you can ensure a safe and effective cleaning process for your rifle. Always stay informed about safety recalls and updates by checking the EU's Safety Gate platform. Thank you for your attention to safety and for choosing our product.
