

37/40MM DOUBLE-UP BRUSH & MOP - BROWNELLS DOUBLE-UP BRUSH, BRONZE, 37/40MM, 3 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Brush & Mop Combos](#)

One-Step Cleaning For Grenade & Tear Gas Launchers

Super-absorbent cotton mop couples with tough, bronze and/or nylon brushes to clean a grenade launcher or tear gas tube in one easy step. The mop and both brushes have durable, aluminum, male and female couplers that let them attach to each other, in any order, so you can develop custom combinations to suit your specific cleaning needs. Sold in 3-Paks or 12-Paks.

Safety Instruction Guide for 37/40MM DOUBLEUP BRUSH & MOP

Introduction

Thank you for choosing the 37/40MM DOUBLEUP BRUSH & MOP from BROWNELLS. This product is designed to provide effective cleaning for 37 and 40mm launcher tubes. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to clean grenade launchers or tear gas tubes.
- Always inspect the brushes and mop before use. Do not use if any part is damaged or worn out.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local regulations regarding the cleaning and maintenance of firearms and related equipment.

Specific Safety Precautions for Use

- Use the product only in a wellventilated area to avoid inhaling any dust or residues.
- Wear protective eyewear when using the brushes to prevent any debris from entering your eyes.
- Avoid using excessive force when cleaning to prevent damage to the brushes or mops.
- Do not immerse the brushes or mop in water or any cleaning solution unless specified by the manufacturer.
- Store the product in a dry place to prevent rust and deterioration of materials.

Instructions for Installation and Usage

1. Attaching the Mop and Brushes

- Ensure the aluminum couplers are clean before attaching any components.
- Align the male coupler of the mop or brush with the female coupler of the other component.
- Push together firmly until you hear a click, indicating a secure connection.

2. Using the Mop

- Insert the mop into the launcher tube.
- Rotate gently while pulling the mop out to clean the interior surface.
- Repeat as necessary until the desired cleanliness is achieved.

3. Using the Brushes

- Choose the appropriate brush (bronze or nylon) for your cleaning needs.
- Insert the brush into the launcher tube.
- Rotate the brush while pulling it out to clean effectively.
- Clean the brushes after use to maintain their effectiveness.

4. Disassembling the Mop and Brushes

- To detach, hold the female coupler and pull the male coupler out.
- Store each component separately to avoid tangling or damage.

Disposal Instructions

- Dispose of any wornout or damaged brushes and mops according to local regulations for waste disposal.
- Do not dispose of the product in regular household waste if it can be recycled.
- Check with local authorities for specific disposal guidelines for cleaning tools and materials.

Contact Information for Further Support

For any safety inquiries or additional support regarding the 37/40MM DOUBLEUP BRUSH & MOP, please consult your local retailer or the official BROWNELLS website for assistance.

By following these safety instructions, you can ensure the safe and effective use of your 37/40MM DOUBLEUP BRUSH & MOP. Thank you for your attention to these important guidelines.
