Safety Instruction Guide for STANDARD LINE BRONZE BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE BRONZE BORE BRUSHES. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you understand how to use the bore brushes safely before starting any cleaning procedure.
- Always use the bore brushes in a wellventilated area to avoid inhaling any debris.
- Keep the bore brushes out of reach of children and pets to prevent accidents or injuries.
- Inspect the brushes before each use for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use of cleaning tools and firearms.

Specific Safety Precautions for Use

- Use only the appropriate caliber bore brush for your firearm. This product is designed for .22 Caliber firearms.
- Do not apply excessive force when using the brushes; this may damage the brush or the firearm.
- Avoid using the brushes on hot surfaces or immediately after firing a firearm to prevent burns.
- Always wear safety glasses to protect your eyes from debris when cleaning firearms.
- Avoid using the brushes with harsh chemicals that may damage the bristles or shank.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solution.

2. Installation

- Attach the appropriate bore brush to the cleaning rod by screwing it into the rod's threaded end.
- Ensure the connection is secure before proceeding.

3. Usage

- Apply a small amount of cleaning solution to the bore brush.
- Insert the bore brush into the firearm's barrel.
- Gently push the brush through the barrel in a backandforth motion to clean the interior.
- Repeat the process as needed, ensuring to clean both ends of the barrel.

4. PostCleaning

- After cleaning, remove the bore brush from the cleaning rod.
- Clean the bore brush with warm, soapy water and let it dry completely before storage.
- Store the bore brushes in a dry place, away from direct sunlight or moisture.

Disposal Instructions

- Dispose of any damaged or worn bore brushes according to local waste disposal regulations.
- Do not dispose of bore brushes in regular household trash if they contain hazardous materials.
- Check with local authorities for proper disposal methods for cleaning tools.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product concerns, please reach out to the manufacturer or authorized retailer. Ensure to have your product details ready for assistance.

Thank you for using the STANDARD LINE BRONZE BORE BRUSHES. Your safety is our priority.
