

"BEEFY"™ BORE BRUSHES - BEEFY BORE BRUSH, BRONZE, .375 CALIBER RIFLE, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Larger, 10-32 Threads To Handle Tough, Large-Bore Cleaning Jobs

Exclusive "form-through" shank design prevents coupling pull out and really stands up to those tough, big-bore cleaning jobs. Our famous bronze, stainless steel and nylon cleaning brushes with heavy-duty, 10-32 thread couplings that won't pull out no matter how hard you clean. Made for use with the Dewey Large-Bore Coated Rods.

Safety Instruction Guide for BEEFY™ Bore Brushes

Introduction

Thank you for choosing the BEEFY™ Bore Brushes. These brushes are designed for effective cleaning of .375 caliber rifles and are built with highquality materials to ensure durability and performance. This guide provides essential safety instructions and usage guidelines to help you use the product safely and effectively.

General Safety Guidelines

- Ensure safe use of the BEEFY Bore Brushes by following these guidelines:
 - Always read and understand the instructions before using the product.
 - Keep the product out of reach of children and vulnerable individuals.
 - Inspect the brushes for any damage or wear before each use.
 - Use the brushes only for their intended purpose, which is cleaning .375 caliber rifles.
 - Store the brushes in a dry place to prevent corrosion.
 - Report any unsafe conditions or productrelated accidents to the appropriate authorities.

Specific Safety Precautions for Use

- To ensure safe handling and use of the BEEFY Bore Brushes, please observe the following precautions:
 - Wear protective eyewear to prevent debris from entering your eyes during cleaning.
 - Use gloves to protect your hands from sharp edges or cleaning solvents.
 - Avoid using excessive force when cleaning to prevent damage to the bore or the brush.
 - Do not use the brushes if the shank is damaged or if the bristles are frayed.
 - Follow the manufacturer's recommendations for cleaning solvents and lubricants.

Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of the BEEFY Bore Brushes:
 1. **Preparation:**
 - Ensure your rifle is unloaded and pointed in a safe direction.
 - Gather all necessary cleaning supplies, including the BEEFY Bore Brushes, cleaning rod, and solvent.
 2. **Installation:**
 - Attach the BEEFY Bore Brush to the cleaning rod using the 1032 thread coupling.
 - Ensure the brush is securely fastened to avoid detachment during use.
 3. **Usage:**
 - Apply a small amount of cleaning solvent to the brush.
 - Insert the brush into the bore of the rifle and use a gentle backandforth motion to clean.
 - Do not force the brush; let it do the work.
 - After cleaning, remove the brush and clean any residual solvent from the bore.
 4. **PostUse:**
 - Clean the brush with warm, soapy water and allow it to dry completely before storage.
 - Store the brushes in a protective case or container to avoid damage.

Disposal Instructions

- When the BEEFY Bore Brushes reach the end of their useful life, dispose of them responsibly:
 - Check local regulations regarding the disposal of metal and plastic materials.
 - If the brushes are damaged or worn, consider recycling the materials if possible.
 - Do not dispose of the brushes in regular household waste if local laws prohibit it.

Contact Information for Further Support

- For any safety inquiries or further support regarding the BEEFY Bore Brushes, please refer to the contact information provided by the retailer or manufacturer from whom you purchased the product.

Thank you for taking the time to read this safety instruction guide. By following these guidelines, you can ensure a safe and effective cleaning experience with your BEEFY™ Bore Brushes.
