

"BEEFY"™ BORE BRUSHES - BROWNELLS BEEFY BORE BRUSH, BRONZE, .458 CALIBER RIFLE, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Larger, 10-32 Threads To Handle Tough, Large-Bore Cleaning Jobs

Exclusive "form-through" shank design prevents coupling pull out and really stands up to those tough, big-bore cleaning jobs. Our famous bronze, stainless steel and nylon cleaning brushes with heavy-duty, 10-32 thread couplings that won't pull out no matter how hard you clean. Made for use with the Dewey Large-Bore Coated Rods.

Bronze "Beefy" Bore Brush, fits .458 Rifle, per Dozen

Safety Instruction Guide for BEEFY™ Bore Brushes

Introduction

Thank you for choosing the BEEFY™ Bore Brushes by Brownells. This guide provides essential safety instructions to ensure the safe and effective use of your bore brushes. Please read this guide carefully before using the product.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is suitable for the specific firearm you are working with.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for wear and tear; do not use damaged brushes.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the bore brush.
- Do not use the bore brush on a firearm that is loaded or has ammunition present.
- Ensure that the firearm is pointed in a safe direction at all times during cleaning.
- Avoid excessive force when using the bore brush to prevent damage to the firearm's bore.
- Store the bore brushes in a safe and dry place to prevent corrosion and damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before starting.
- Gather all necessary cleaning supplies, including the BEEFY™ Bore Brush, cleaning rod, and cleaning solvent.

2. Installation:

- Attach the BEEFY™ Bore Brush to a compatible cleaning rod with a 1032 thread.
- Ensure the brush is securely fastened to prevent detachment during use.

3. Usage:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the bore brush into the chamber of the firearm and push it through the bore.
- Use a smooth, steady motion to clean the bore, pulling the brush back and forth as necessary.
- After cleaning, remove the brush and clean any excess solvent from the bore.

4. PostUsage Care:

- Clean the bore brush with solvent and allow it to dry completely before storage.
- Inspect the brush for any signs of wear or damage before the next use.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the BEEFY™ Bore Brushes, please refer to the contact details provided with your product packaging or visit the manufacturer's website.

Thank you for choosing BEEFY™ Bore Brushes. Your safety and satisfaction are our top priorities.
