# Safety Instruction Guide for BEEFY™ Bore Brushes

## Introduction

Thank you for choosing the BEEFY™ Bore Brushes by Brownells. This guide provides essential safety instructions to ensure the safe and effective use of your bore brushes. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose. The BEEFY™ Bore Brushes are designed specifically for cleaning rifle bores.
- Always inspect the bore brush for any signs of damage or wear before use. Do not use a damaged brush.
- Keep the bore brushes out of reach of children to prevent accidents or misuse.
- Use protective eyewear when cleaning firearms to avoid injury from debris or cleaning solvents.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.

## Specific Safety Precautions for Use

- Do not exceed the recommended cleaning pressure when using the bore brush. Excessive force can damage the brush and the firearm.
- Avoid using the bore brush with incompatible cleaning rods. Use only with Dewey LargeBore Coated Rods.
- Ensure that the bore brush is securely attached to the cleaning rod before use to prevent detachment during cleaning.
- Do not use the bore brush in a manner that could cause injury to yourself or others.
- Avoid using solvents that are incompatible with the materials of the bore brush, such as strong acids or corrosive substances.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate BEEFY™ Bore Brush for your firearm's caliber (54 Caliber).
- Ensure that the cleaning rod is compatible with the bore brush (Dewey LargeBore Coated Rods).
- Attach the bore brush to the cleaning rod by screwing it onto the 1032 thread coupling. Ensure it is securely fastened.

### 2. Usage:

- Before cleaning, ensure the firearm is unloaded and pointed in a safe direction.
- Apply a suitable cleaning solvent to the bore brush if necessary.
- Insert the bore brush into the firearm's bore and gently move it back and forth to clean the interior surfaces.
- After cleaning, remove the bore brush by unscrewing it from the cleaning rod.
- Clean the bore brush after each use to maintain its effectiveness and longevity.

## Disposal Instructions

- Dispose of any worn or damaged bore brushes in accordance with local waste disposal regulations.
- Do not dispose of in regular household waste if the product contains hazardous materials. Check local guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the BEEFY™ Bore Brushes, please refer to the customer support section on the official Brownells website or contact your local distributor. Always ensure that you have the product details available for a more efficient response.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure a safe and effective cleaning experience with your BEEFY™ Bore Brushes. Always stay informed about the proper use and maintenance of your products to enhance safety and performance.
