

# "BEEFY"™ BORE BRUSHES - BROWNELLS BEEFY BORE BRUSH, BRONZE, .54 CALIBER RIFLE, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## Larger, 10-32 Threads To Handle Tough, Large-Bore Cleaning Jobs

Exclusive "form-through" shank design prevents coupling pull out and really stands up to those tough, big-bore cleaning jobs. Our famous bronze, stainless steel and nylon cleaning brushes with heavy-duty, 10-32 thread couplings that won't pull out no matter how hard you clean. Made for use with the Dewey Large-Bore Coated Rods.

# BEEFY™ Bore Brushes Safety Instructions

## Introduction

Thank you for choosing the BEEFY™ Bore Brushes, specifically designed for cleaning 54 caliber rifles. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Always use the bore brush in accordance with the manufacturer's instructions.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush before each use for any signs of wear or damage.
- Do not use the bore brush for any purpose other than its intended use.
- Ensure that the cleaning area is wellventilated.
- Follow all local regulations regarding the cleaning and maintenance of firearms.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, to protect against debris and cleaning solvents.
- Avoid using excessive force when cleaning to prevent damage to the brush or the firearm.
- Do not use the bore brush on a hot barrel; allow the firearm to cool down before cleaning.
- Use only compatible cleaning rods with a 1032 thread to avoid compatibility issues.
- Do not leave the bore brush unattended while in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the BEEFY™ Bore Brush, cleaning rod, and any cleaning solvents.

### 2. Installation:

- Attach the BEEFY™ Bore Brush to the cleaning rod by screwing it onto the 1032 threaded end.
- Ensure that the connection is secure to prevent the brush from detaching during use.

### 3. Usage:

- Insert the bore brush into the barrel from the chamber end, if applicable.
- Gently push the brush through the barrel and pull it back out. Repeat this process as needed.
- Avoid excessive scrubbing; let the brush do the work to prevent damage to the bore.
- After cleaning, remove the bore brush from the rod and clean it with appropriate solvents if necessary.

### 4. PostUse:

- Inspect the bore brush for any signs of wear or damage after each use.
- Store the bore brush in a dry, safe location away from children.

## **Disposal Instructions**

- Dispose of the bore brush according to local regulations.
- If the bore brush is damaged or worn out, it should be disposed of to prevent accidental injury.
- Do not dispose of the bore brush in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the BEEFY™ Bore Brushes, please consult the manufacturer's website or contact their customer service directly for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective cleaning experience with your BEEFY™ Bore Brushes. Thank you for your attention to safety and proper use of this product.
