

STANDARD LINE NYLON RIFLE BORE BRUSHES - BROWNELLS

STANDARD LINE BRUSH, NYLON, .17 CALIBER RIFLE, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Solvent Resisting Nylon

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Nylon Bore Brush - New generation bore cleaners attack copper and bronze-based bullet jacket fouling aggressively and are just as hard on bronze cleaning brushes. Our nylon brushes stand up to these super cleaners and won't cause accuracy-ruining scratches. One-piece, looped and wound steel shanks (except Black Powder (BP) series, .17 caliber, and .20 caliber, which have brass shanks). SPECS: Bristles: Available in nylon. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 caliber 5-40 threads, all others 8-32 thread.

Safety Instruction Guide for STANDARD LINE NYLON RIFLE BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE NYLON RIFLE BORE BRUSHES by BROWNELLS. This guide provides important safety information and instructions to ensure the safe and effective use of the product. Please read this guide thoroughly before use.

General Safety Guidelines

- **Product Safety:** Ensure safe usage of this product by following all guidelines and instructions provided.
- **Enhanced Recalls:** Be aware that in the event of a product recall, standardized notices will be provided, along with free remedies for any dangerous products.
- **Online Shopping:** When purchasing online, you are entitled to the same safety protections as when shopping in physical stores.
- **Special Consumer Focus:** Extra precautions are in place for vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU-based contact point for assistance.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system, which provides timely updates.

Specific Safety Precautions for Use

- **Use Only as Intended:** This product is designed specifically for cleaning rifle bores. Do not use it for any other purpose.
- **Inspect Before Use:** Always check the bore brush for any signs of damage or wear before use. Do not use if damaged.
- **Keep Away from Children:** This product contains small parts that may pose a choking hazard. Keep out of reach of children.
- **Wear Safety Gear:** When cleaning firearms, it is advisable to wear safety goggles and gloves to protect against debris and cleaning agents.
- **Avoid Excessive Force:** Do not apply excessive force when using the bore brush, as this may damage the brush or the firearm.
- **Proper Storage:** Store the bore brushes in a dry place, away from moisture and extreme temperatures, to maintain their integrity.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies including the bore brush, cleaning solvent, and a cleaning rod.

2. Using the Bore Brush:

- Attach the bore brush to the cleaning rod.
- Apply a small amount of cleaning solvent to the bristles of the bore brush.
- Insert the bore brush into the barrel from the breech end (where applicable).
- Gently push the brush through the barrel, using a smooth and steady motion.
- Pull the brush back out completely and repeat as necessary to remove fouling.

3. PostUse Care:

- Clean the bore brush with warm water and mild detergent after use to remove any residue.
- Dry the brush thoroughly before storing it.

Disposal Instructions

- **Dispose Responsibly:** When the bore brush is no longer usable, dispose of it in accordance with local waste disposal regulations.
- **Recycling:** If applicable, check if the materials can be recycled. Separate any metal components from plastic where possible.

Contact Information for Further Support

For further assistance or inquiries regarding the product, please refer to the designated EU contact point. It is important to ensure that you have access to support for any safety concerns or productrelated questions.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy the effective use of your STANDARD LINE NYLON RIFLE BORE BRUSHES.
