

SPECIAL LINE!!! BRASS CORE RIFLE BORE BRUSH - SPECIAL LINE BRASS RIFLE BRUSH 243/25 CALIBER 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

If you or your customer has one of those guns that drives tacks or knocks down birds every time, the slight extra cost of our Special Line brushes is well worth it to eliminate any chance of the cleaning brush's shank putting a scratch in that all-important barrel. The Brass shank is one-piece, looped and wound, (not two, twisted together and chopped off). The coupling is no-scratch Brass. The bristles are the best, phosphor, bronze scrubbing wire for long life and thorough cleaning. SPECS: Bristles: Phosphor bronze. Shank: Brass, looped and wound. Overall Length: 3.27" (8.3cm) 20 Caliber Threads: 5-40 Male All other Caliber Threads: 8-32 Male NOTE: 22 Caliber bore brush with 8-36 thread fits military M16 cleaning rods only.

Safety Instruction Guide for SPECIAL LINE BRASS CORE RIFLE BORE BRUSH

Introduction

Thank you for choosing the SPECIAL LINE BRASS CORE RIFLE BORE BRUSH. This product is designed to enhance your cleaning experience while ensuring the safety of both the user and the firearm. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Ensure you are using the bore brush that is suitable for your specific caliber firearm.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the bore brush and any cleaning supplies out of reach of children and vulnerable individuals.
- Regularly inspect the bore brush for any signs of wear or damage before use.
- If you notice any issues with the bore brush, discontinue use immediately and consult the manufacturer.

Specific Safety Precautions for Use

- Use the bore brush only for its intended purpose: cleaning the bore of rifles.
- Do not force the bore brush into the barrel; it should fit snugly but not require excessive force.
- Avoid using the bore brush on firearms that are loaded. Always ensure the firearm is unloaded before cleaning.
- Wear safety goggles to protect your eyes from any debris that may be dislodged during cleaning.
- If using cleaning solvents or oils, ensure they are compatible with the materials of your firearm and the bore brush.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and any solvents.

2. Attaching the Bore Brush:

- Select the appropriate bore brush for your firearm caliber.
- Attach the bore brush to the cleaning rod by screwing it in place. Ensure it is securely fastened.

3. Cleaning the Bore:

- Apply a small amount of cleaning solvent to the bristles of the bore brush.
- Insert the bore brush into the barrel from the chamber end (if possible) to avoid damaging the muzzle.
- Gently push the brush through the barrel and pull it back out. Repeat this process 35 times to ensure thorough cleaning.
- After cleaning, follow up with a dry patch to remove any remaining solvent and debris.

4. PostCleaning:

- Inspect the bore brush for any wear or damage.
- Clean the bore brush with warm, soapy water and allow it to dry completely before storing.

Disposal Instructions

- Dispose of the bore brush responsibly. If it is worn or damaged beyond use, consider recycling the materials if possible.
- Follow local regulations for the disposal of cleaning solvents and other hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use of the SPECIAL LINE BRASS CORE RIFLE BORE BRUSH, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website for more information.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SPECIAL LINE BRASS CORE RIFLE BORE BRUSH. Always prioritize safety when handling firearms and cleaning tools. Thank you for your attention to these guidelines.
