

SPECIAL LINE!!! BRASS CORE RIFLE BORE BRUSH - BROWNELLS

SPECIAL LINE BRASS RIFLE BRUSH 6.5MM 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

If you or your customer has one of those guns that drives tacks or knocks down birds every time, the slight extra cost of our Special Line brushes is well worth it to eliminate any chance of the cleaning brush's shank putting a scratch in that all-important barrel. The Brass shank is one-piece, looped and wound, (not two, twisted together and chopped off). The coupling is no-scratch Brass. The bristles are the best, phosphor, bronze scrubbing wire for long life and thorough cleaning. SPECS: Bristles: Phosphor bronze. Shank: Brass, looped and wound. Overall Length: 3.27" (8.3cm) 20 Caliber Threads: 5-40 Male All other Caliber Threads: 8-32 Male NOTE: 22 Caliber bore brush with 8-36 thread fits military M16 cleaning rods only.

Safety Instruction Guide for SPECIAL LINE BRASS CORE RIFLE BORE BRUSH

Introduction

Thank you for choosing the SPECIAL LINE BRASS CORE RIFLE BORE BRUSH. This product is designed to provide effective cleaning for your rifle's bore while ensuring safety during use. This guide outlines important safety instructions and recommendations to help you use this product effectively and safely.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a cleaning tool for rifle bores.
- Always handle the bore brush with care to avoid injury.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush before each use for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearms and cleaning accessories.

Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from any debris or cleaning materials that may be dislodged during use.
- Use the bore brush in a wellventilated area to avoid inhalation of any cleaning agents.
- Do not apply excessive force when using the bore brush to prevent damage to the rifle barrel.
- Always ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Avoid using the bore brush on firearms that are not compatible with its specifications. Refer to the product specifications for proper caliber compatibility.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary cleaning supplies, including cleaning solvent and a cleaning rod.

2. Installation:

- Attach the bore brush to the cleaning rod. Ensure it is securely fastened to prevent detachment during use.
- For 20 caliber firearms, use the 540 male thread. For all other calibers, use the 832 male thread. Note that the 22 caliber bore brush with an 836 thread fits military M16 cleaning rods only.

3. Usage:

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the rifle's chamber and push it through the barrel. Use a smooth, steady motion.
- Pull the bore brush back through the barrel to remove fouling and debris. Repeat as necessary for thorough cleaning.
- After cleaning, remove the bore brush from the cleaning rod and clean it according to the maintenance instructions.

4. PostUsage:

- Clean the bore brush after each use to ensure its longevity.
- Store the bore brush in a safe, dry place, away from children.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it is damaged or contains hazardous materials.
- Check for any specific disposal guidelines for cleaning products and materials used in conjunction with the bore brush.

Contact Information for Further Support

For any additional questions or concerns regarding the safety and usage of the SPECIAL LINE BRASS CORE RIFLE BORE BRUSH, please consult the manufacturer's website or contact your local distributor.

Thank you for your attention to these safety guidelines. Your safety and the effective use of this product are our top priorities.
