

SPECIAL LINE!!! BRASS CORE HANGUN BORE BRUSHES - BROWNELLS SPECIAL LINE BRUSH, BRASS, .22 CALIBER PISTOL, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

If you or your customer has one of those guns that drives tacks or knocks down birds every time, the slight extra cost of our Special Line brushes is well worth it to eliminate any chance of the cleaning brush's shank putting a scratch in that all-important barrel. The Brass shank is one-piece, looped and wound, (not two, twisted together and chopped off). The coupling is no-scratch Brass. The bristles are the best, phosphor, bronze scrubbing wire for long life and thorough cleaning. SPECS Shank: Brass, looped and wound Overall Length: 2.125" (5.4cm) Threads: 8-32 thread

Safety Instruction Guide for SPECIAL LINE BRASS CORE HANDGUN BORE BRUSHES

Introduction

Thank you for choosing the SPECIAL LINE BRASS CORE HANDGUN BORE BRUSHES from BROWNELLS. This guide provides essential safety information to ensure the safe and effective use of this product. Please read and follow these instructions carefully to avoid potential hazards.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning handgun barrels.
- Keep the brushes out of reach of children and vulnerable individuals to prevent accidental injury.
- Always inspect the brushes for damage before use. Do not use if damaged.
- Follow local regulations regarding the disposal of cleaning materials and tools.

Specific Safety Precautions for Use

- Use protective eyewear when cleaning firearms to prevent injury from debris or cleaning solutions.
- Always ensure the firearm is unloaded before using the bore brush.
- Do not apply excessive force when using the brush to avoid damaging the barrel.
- Store the brushes in a cool, dry place away from direct sunlight and moisture.
- Avoid using the brush on firearms that are not compatible with the 22 caliber specifications.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including cleaning solvent and a cleaning rod.

2. Installation:

- Attach the bore brush to the cleaning rod by screwing it onto the rod's threaded end.
- Ensure it is securely fastened before use.

3. Usage:

- Apply a small amount of cleaning solvent to the bristles of the brush.
- Insert the brush into the barrel from the chamber end, ensuring it is aligned properly.
- Gently push the brush through the barrel and pull it back out. Repeat this process several times to ensure thorough cleaning.
- After cleaning, remove the brush from the cleaning rod and clean any residual solvent from the firearm.

Disposal Instructions

- Dispose of used brushes and cleaning materials in accordance with local waste disposal regulations.
- Do not dispose of the brushes in regular household waste if they contain hazardous materials or solvents.

Contact Information for Further Support

For inquiries related to product safety or usage, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SPECIAL LINE BRASS CORE HANDGUN BORE BRUSHES. Always prioritize safety and proper usage to maintain your firearm in optimal condition. Thank you for your attention to these guidelines.
