

# **SPECIAL LINE™! BRASS CORE HANGUN BORE BRUSHES - BROWNELLS SPECIAL LINE BRUSH, BRASS, 9MM/.38./357 CAL PISTOL, 12 PACK**

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

If you or your customer has one of those guns that drives tacks or knocks down birds every time, the slight extra cost of our Special Line brushes is well worth it to eliminate any chance of the cleaning brush's shank putting a scratch in that all-important barrel. The Brass shank is one-piece, looped and wound, (not two, twisted together and chopped off). The coupling is no-scratch Brass. The bristles are the best, phosphor, bronze scrubbing wire for long life and thorough cleaning. SPECS Shank: Brass, looped and wound Overall Length: 2.125" (5.4cm) Threads: 8-32 thread

# Safety Instruction Guide for SPECIAL LINE Brass Core Handgun Bore Brushes

## Introduction

Thank you for choosing the SPECIAL LINE Brass Core Handgun Bore Brushes by Brownells. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these instructions carefully to avoid any risks associated with its use.

## General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the bore brushes. These brushes are designed for cleaning firearms and should be used only as intended.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided for returning or exchanging the product.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations, similar to physical stores.
- **Special Consumer Focus:** Keep the brushes out of reach of children and ensure they are used only by individuals knowledgeable about firearm maintenance.
- **EU Contact Point:** For any safety inquiries, refer to the product packaging or the manufacturer's website for EU-based contact information.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on any safety concerns related to this product.

## Specific Safety Precautions for Use

- **Avoid Contact with Sharp Edges:** The bristles and shank may have sharp edges. Handle with care to prevent injury.
- **Use in a Well-Ventilated Area:** When using cleaning solvents, ensure adequate ventilation to avoid inhalation of harmful fumes.
- **Wear Protective Gear:** It is recommended to wear safety glasses and gloves during use to protect against debris and cleaning agents.
- **Keep Away from Children:** This product is not a toy. Ensure it is stored securely out of reach of children.
- **Inspect Before Use:** Always check the bore brush for damage or wear before use. Do not use if the brush appears defective.

## Instructions for Installation and Usage

### • Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including the bore brush, cleaning solvent, and a cleaning rod.

### • Installation:

- Attach the bore brush to the cleaning rod by screwing it securely onto the rod's end.
- Ensure the connection is tight to prevent the brush from detaching during use.

### • Usage:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the brush into the firearm's barrel, ensuring it is fully seated.

- Move the brush back and forth gently to scrub the interior of the barrel.
- Repeat as necessary for thorough cleaning.
- After use, remove the brush and clean it with solvent to maintain its condition.

- **PostUse Care:**

- Store the bore brush in a dry place, away from moisture.
- Regularly inspect the brush for wear and replace it as needed to ensure effective cleaning.

## Disposal Instructions

- **Disposal of Worn Brushes:** Dispose of any worn or damaged brushes in accordance with local waste disposal regulations.
- **Environmental Considerations:** Do not dispose of brushes in a manner that could harm the environment. Consider recycling options where available.

## Contact Information for Further Support

For any questions or concerns regarding the use of the SPECIAL LINE Brass Core Handgun Bore Brushes, please refer to the manufacturer's contact details provided on the product packaging or their official website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your new bore brushes. Thank you for your attention to safety!
