

SPECIAL LINE!!! BRASS CORE HANGUN BORE BRUSHES - BROWNELLS SPECIAL LINE BRUSH, BRASS, 10MM/.40/.41 CAL PISTOL, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

If you or your customer has one of those guns that drives tacks or knocks down birds every time, the slight extra cost of our Special Line brushes is well worth it to eliminate any chance of the cleaning brush's shank putting a scratch in that all-important barrel. The Brass shank is one-piece, looped and wound, (not two, twisted together and chopped off). The coupling is no-scratch Brass. The bristles are the best, phosphor, bronze scrubbing wire for long life and thorough cleaning. SPECS Shank: Brass, looped and wound Overall Length: 2.125" (5.4cm) Threads: 8-32 thread

Safety Instruction Guide for SPECIAL LINE Brass Core Handgun Bore Brushes

Introduction

Thank you for choosing the SPECIAL LINE Brass Core Handgun Bore Brushes from Brownells. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the brushes.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Use the brushes only for their intended purpose, which is cleaning handgun bores.
- Keep the brushes out of reach of children and vulnerable individuals.
- Regularly inspect the brushes for any signs of wear or damage before use.
- If any part of the brush is damaged, discontinue use immediately.

Specific Safety Precautions for Use

- **Hazard Identification:** The brushes may pose risks such as scratches to the barrel if not used properly.
- **Avoiding Hazards:**
 - Always ensure that the firearm is unloaded before cleaning.
 - Use the brushes gently to avoid scratching the barrel.
 - Do not force the brush into the bore; it should fit snugly but not require excessive force.
- **AgeSpecific Warnings:** This product is intended for adult use only. Keep out of reach of children.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the brass bore brush and cleaning solvent.

2. Installation:

- Attach the brass bore brush to a cleaning rod with an 832 thread.
- Ensure the brush is securely attached to prevent it from detaching during use.

3. Usage:

- Apply a small amount of cleaning solvent to the brush.
- Insert the brush into the bore of the firearm.
- Gently push the brush through the bore, ensuring not to force it.
- Pull the brush back out and repeat as necessary until the bore is clean.
- After cleaning, wipe the bore with a clean, dry cloth.

4. PostUsage Care:

- Clean the brush with solvent and let it dry completely before storage.
- Store the brushes in a dry place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of used brushes in accordance with local regulations.
- Do not dispose of brushes in regular household waste if they are contaminated with hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional support, please contact the manufacturer or consult the product packaging for further details. Always refer to the EU's Safety Gate platform for updates on product safety and recalls.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priority.
