

# **SPECIAL LINE™! BRASS CORE HANGUN BORE BRUSHES - BROWNELLS SPECIAL LINE BRUSH, BRASS, .44/.45 CALIBER PISTOL, 12 PACK**

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

If you or your customer has one of those guns that drives tacks or knocks down birds every time, the slight extra cost of our Special Line brushes is well worth it to eliminate any chance of the cleaning brush's shank putting a scratch in that all-important barrel. The Brass shank is one-piece, looped and wound, (not two, twisted together and chopped off). The coupling is no-scratch Brass. The bristles are the best, phosphor, bronze scrubbing wire for long life and thorough cleaning. SPECS Shank: Brass, looped and wound Overall Length: 2.125" (5.4cm) Threads: 8-32 thread

# Safety Instruction Guide for SPECIAL LINE BRASS CORE HANDGUN BORE BRUSHES

## Introduction

Thank you for choosing the SPECIAL LINE BRASS CORE HANDGUN BORE BRUSHES by BROWNELLS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the following information carefully before using the bore brushes.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose of cleaning handgun barrels.
- Always inspect the bore brush for damage before use. Do not use if the brush is worn or damaged.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Be aware of potential hazards associated with cleaning firearms and follow all relevant safety practices.

## Specific Safety Precautions for Use

- Always wear safety glasses to protect your eyes from debris during cleaning.
- Avoid using excessive force when cleaning to prevent damage to the barrel or the brush.
- Use the bore brush in a wellventilated area to avoid inhaling any cleaning solvents or debris.
- Follow the manufacturer's recommendations for cleaning solvents and solutions to avoid chemical reactions.
- Do not leave the bore brush unattended while in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush and cleaning solvent.

### 2. Installation:

- Attach the bore brush to a cleaning rod using the 832 threads provided.
- Ensure that the attachment is secure before proceeding.

### 3. Usage:

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the barrel and gently push it through.
- Pull the brush back out of the barrel, repeating the process as necessary until the barrel is clean.
- After cleaning, remove the bore brush from the cleaning rod and clean it according to the manufacturer's instructions.

### 4. PostUsage:

- Clean the bore brush with warm water and mild soap, if necessary.
- Allow the brush to dry completely before storing it.

## Disposal Instructions

- Dispose of any worn or damaged bore brushes in accordance with local regulations.

- Do not dispose of the bore brushes in regular household waste if they are considered hazardous.

## **Contact Information for Further Support**

For any safety inquiries or product support, please contact your local distributor or refer to the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SPECIAL LINE BRASS CORE HANDGUN BORE BRUSHES. Thank you for your attention to these important safety guidelines.
