

SPECIAL LINE DOUBLE-TUFF BORE BRUSH - DOUBLE-TUFF BRASS BRUSH, .38S&P/.357 CALIBER PISTOL, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Brass coupling and one-piece, looped and wound brass shank with extra-thick, kinked, phosphor bronze bristles give the hard scrubbing action needed to cut through the tough crud and fouling. You'll have to push like the dickens, but the results will be worth it.

Safety Instruction Guide for SPECIAL LINE DOUBLETUFF BORE BRUSH

Introduction

Thank you for choosing the SPECIAL LINE DOUBLETUFF BORE BRUSH. This product is designed to provide effective cleaning for .38 SPL/.357 caliber pistols. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the bore brush is used only for its intended purpose, which is cleaning firearms.
- Always handle firearms in a safe manner and follow standard firearm safety practices.
- Inspect the bore brush for any damage before use. Do not use if damaged.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recalls or safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear protective eyewear when using the bore brush to prevent debris from entering your eyes.
- Use the bore brush in a wellventilated area to avoid inhaling any cleaning residues.
- Do not apply excessive force when using the bore brush; it should be pushed firmly but not with excessive pressure.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the bore brush.
- Use the bore brush only with compatible calibers (.38 SPL/.357) to prevent damage to the brush and firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and in a safe condition.
- Gather all necessary cleaning supplies, including the bore brush, cleaning solvent, and cleaning rod.

2. Installation:

- Attach the bore brush to the cleaning rod by screwing it onto the 832 thread.
- Ensure that the connection is secure before proceeding.

3. Usage:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the bore brush into the barrel of the firearm.
- Use a backandforth motion to scrub the barrel, ensuring that you cover all areas.
- Repeat as necessary until the barrel is clean.
- Remove the bore brush and clean the firearm according to the manufacturer's instructions.

4. PostUsage:

- Clean the bore brush after use to remove any residues.

- Store the bore brush in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations regarding waste disposal.
- Do not dispose of the bore brush in regular household waste if it is damaged or contains hazardous materials.
- Check with local authorities for specific disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact your local distributor or the manufacturer directly. Ensure you have the product details ready for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
