

SPECIAL LINE DOUBLE-TUFF BORE BRUSH - DOUBLE-TUFF BRASS BRUSH, 10MM/.40 CALIBER SPL PISTOL, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Brass coupling and one-piece, looped and wound brass shank with extra-thick, kinked, phosphor bronze bristles give the hard scrubbing action needed to cut through the tough crud and fouling. You'll have to push like the dickens, but the results will be worth it.

Safety Instruction Guide for SPECIAL LINE DOUBLETUFF BORE BRUSH

Introduction

Thank you for choosing the SPECIAL LINE DOUBLETUFF BORE BRUSH. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the bore brush.

General Safety Guidelines

- Ensure that the bore brush is used only for its intended purpose, which is cleaning firearm barrels.
- Always handle firearms with care and follow all safety protocols when cleaning or maintaining them.
- Keep the bore brush out of reach of children and pets to prevent accidental injury.
- Regularly inspect the bore brush for any signs of wear or damage before use.
- If you notice any damage or defects, do not use the bore brush and dispose of it responsibly.

Specific Safety Precautions for Use

- Always wear protective eyewear when using the bore brush to prevent injury from debris.
- Use the bore brush in a wellventilated area to avoid inhaling any dust or particles.
- Do not use excessive force when scrubbing, as this may damage the bore brush or the firearm.
- Avoid using the bore brush on firearms that are loaded. Always ensure that the firearm is unloaded before cleaning.
- Do not leave the bore brush unattended while in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning solvent, and protective eyewear.

2. Installation:

- Attach the bore brush to a cleaning rod with an 832 thread, ensuring a secure fit.
- Make sure the cleaning rod is compatible with the bore brush for optimal performance.

3. Usage:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the bore brush into the barrel of the firearm and scrub gently but firmly.
- Rotate the brush while scrubbing to ensure thorough cleaning of the barrel.
- After use, remove the bore brush and clean it with solvent to remove any debris.

4. PostUse:

- Inspect the bore brush for any damage or wear.
- Store the bore brush in a dry, safe place away from children and pets.

Disposal Instructions

- Dispose of the bore brush responsibly if it is damaged or no longer usable.
- Check local regulations for proper disposal methods for cleaning products and tools.
- Do not dispose of the bore brush in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the use of the SPECIAL LINE DOUBLETUFF BORE BRUSH, please reach out to the designated EUbased contact point provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SPECIAL LINE DOUBLETUFF BORE BRUSH. Always prioritize safety and responsible usage to maintain the integrity of your firearm and your wellbeing. Thank you for your attention to these important guidelines.
