

# SPECIAL LINE DOUBLE-TUFF BORE BRUSH - DOUBLE-TUFF BRASS BRUSH, .44/.45 CALIBER SPL PISTOL, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Brass coupling and one-piece, looped and wound brass shank with extra-thick, kinked, phosphor bronze bristles give the hard scrubbing action needed to cut through the tough crud and fouling. You'll have to push like the dickens, but the results will be worth it.

# Safety Instruction Guide for SPECIAL LINE DOUBLETUFF BORE BRUSH

## Introduction

Thank you for choosing the SPECIAL LINE DOUBLETUFF BORE BRUSH. This product is designed to help you maintain your .44/.45 caliber pistol effectively. To ensure your safety and the proper use of this product, please read this guide carefully. It includes essential safety guidelines, usage instructions, and disposal information.

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the brush is compatible with your firearm caliber.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the brush for any damage before use. Do not use if damaged.
- Use the product in a wellventilated area to avoid inhaling any debris.
- Wear appropriate personal protective equipment, such as safety goggles and gloves, when using the brush.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the bore brush only for its intended purpose: cleaning .44/.45 caliber firearms.
- Avoid excessive force when using the brush to prevent damage to the firearm or the brush itself.
- Do not use the brush on hot surfaces or immediately after firing the firearm to avoid burns.
- Ensure the firearm is unloaded before cleaning.
- Do not leave the brush unattended while in use.
- Store the bore brush in a dry place to prevent corrosion of the brass and bronze materials.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning solvent, and a cleaning rod.

### 2. Installation:

- Attach the bore brush to the cleaning rod using the 832 thread.
- Ensure the connection is secure to prevent the brush from detaching during use.

### 3. Usage:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the bore brush into the firearm's barrel.
- Move the brush back and forth gently to scrub the interior of the barrel.
- Repeat this process as necessary until the barrel is clean.
- After use, remove the brush from the barrel and clean it with solvent to remove debris.

### 4. PostCleaning:

- Inspect the brush for wear and damage after each use.

- Store the brush in a dry location to maintain its condition.

## **Disposal Instructions**

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the brush in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options for metal components if available in your area.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of this product, please contact your local retailer or manufacturer. Ensure you have your product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your SPECIAL LINE DOUBLETUFF BORE BRUSH responsibly!
