

STANDARD LINE STAINLESS STEEL RIMFIRE RIFLE BORE BRUSHES - BROWNELLS STANDARD LINE BRUSH, .22 CALIBER RIMFIRE RIFLE, SS, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Stainless Steel Bore Brush - For severely leaded, fouled or rusted bores, the aggressive cleaning action of a stainless steel brush can help get them clean. However, the aggressive action accelerates wear, and regular use can shorten barrel life. SPECS: Bristles: Available in stainless steel. Shank: Steel, looped and wound. Overall Length: 3.27 (8.3cm) Threads: .17 and .20 cal. 5-40 threads, all others 8-32 thread.

Safety Instructions for STANDARD LINE STAINLESS STEEL RIMFIRE RIFLE BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE STAINLESS STEEL RIMFIRE RIFLE BORE BRUSHES by BROWNELLS. This product is designed to help you maintain the cleanliness and performance of your firearm. It is important to follow safety instructions to ensure safe and effective usage. This guide provides essential safety information and instructions for the proper use and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Always ensure that the bore brush is used safely and correctly to prevent any accidents or injuries.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices that may affect this product.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements as per EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The stainless steel bristles can cause injury if mishandled.
 - Improper use may lead to damage to the firearm's bore or internal components.
- **Avoid Contact:**
 - Do not touch the bristles when the brush is in use.
 - Avoid using the brush on firearms that are loaded or not properly secured.
- **Regular Inspection:**
 - Frequently check the bore brush for signs of wear or damage before each use.
- **Use Protective Gear:**
 - Wear safety glasses to protect your eyes from debris during cleaning.
 - Consider wearing gloves to prevent skin irritation from lead or other residues.

Instructions for Installation and Usage

- **Installation:**
 - Ensure the firearm is unloaded and pointed in a safe direction.
 - Attach the bore brush to a cleaning rod, ensuring it is securely fastened.
- **Usage:**
 - Insert the bore brush into the firearm's barrel from the breech end.
 - Use a smooth, steady motion to push the brush through the barrel and out the muzzle end.
 - Repeat the process as needed, but do not overuse the brush to prevent excessive wear on the barrel.
- **PostCleaning:**
 - After cleaning, ensure that the barrel is free of any cleaning solution and debris.
 - Store the bore brush in a dry place, away from moisture and direct sunlight.

Disposal Instructions

- **Responsible Disposal:**

- Dispose of used bore brushes in accordance with local regulations regarding metal waste.
- Do not throw the brush in regular household waste.

- **Recycling:**

- If possible, recycle the bore brush according to your local recycling program for metal products.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product recalls, please refer to the appropriate EU contact point or the retailer from whom the product was purchased.

By following these safety instructions, you can ensure that your experience with the STANDARD LINE STAINLESS STEEL RIMFIRE RIFLE BORE BRUSHES is safe and effective. Thank you for your attention to these guidelines.
