

STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES - STANDARD LINE STAINLESS 243/25 CALIBER RIFLE BRUSH 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough Stainless Steel

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Stainless Steel Bore Brush - For severely leaded, fouled or rusted bores, the aggressive cleaning action of a stainless steel brush can help get them clean. However, the aggressive action accelerates wear, and regular use can shorten barrel life. SPECS: Bristles: Available in stainless steel. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 cal. 5-40 threads, all others 8-32 thread.

Safety Instruction Guide for STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read and understand the information before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the bore brushes by following all instructions. These brushes are designed for cleaning rifle bores and should not be used for any other purpose.
- **Hazard Awareness:** Be aware that improper use can lead to damage to the firearm or personal injury. Always handle with care.
- **Vulnerable Groups:** Keep out of reach of children. These products are not intended for use by individuals under the age of 18 without adult supervision.
- **Online Shopping:** If purchased online, ensure the seller complies with safety standards similar to those of physical stores.

Specific Safety Precautions for Use

- **Wear Protective Gear:** Always wear safety goggles and gloves when using bore brushes to prevent injury from debris or chemicals.
- **Check for Damage:** Inspect the bore brush before use. Do not use if it is damaged or worn out.
- **Use Appropriate Size:** Ensure that you are using the correct caliber bore brush for your firearm to prevent damage.
- **Avoid Excessive Force:** Do not use excessive force when cleaning. This can damage both the brush and the firearm.
- **Store Safely:** Store the brushes in a dry place, away from moisture and extreme temperatures.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning materials and protective gear.

2. Installation:

- Attach the bore brush to a cleaning rod that is compatible with your firearm.
- Ensure the brush is securely fastened to prevent detachment during use.

3. Usage:

- Insert the bore brush into the barrel from the breech end (if applicable).
- Use a smooth, consistent motion to clean the bore. Push the brush through and pull it back out without twisting.
- Repeat as necessary until the bore is clean.
- After use, remove the brush and clean it according to the manufacturer's instructions.

4. PostCleaning:

- Inspect the bore for any remaining fouling or debris.
- Store the bore brush and cleaning materials properly to ensure longevity.

Disposal Instructions

- Dispose of any damaged or worn bore brushes in accordance with local regulations.
- Do not dispose of in regular household waste if they contain hazardous materials. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES, please consult the manufacturer or your point of purchase for assistance.

Conclusion

Following these safety instructions will help ensure the effective and safe use of the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES. Always prioritize safety and proper handling to maintain the integrity of your firearm and personal safety.
