

STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES - STANDARD LINE STAINLESS 30 CALIBER RIFLE BRUSH 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough Stainless Steel

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Stainless Steel Bore Brush - For severely leaded, fouled or rusted bores, the aggressive cleaning action of a stainless steel brush can help get them clean. However, the aggressive action accelerates wear, and regular use can shorten barrel life. SPECS: Bristles: Available in stainless steel. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 cal. 5-40 threads, all others 8-32 thread.

Safety Instruction Guide for STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES. This product is designed to provide effective cleaning for rifle bores. It is important to follow safety guidelines to ensure safe use and to protect yourself and others.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use. However, improper use can lead to injury or damage.
- **Enhanced Recalls:** In the event of a safety issue, you may be informed through standardized recall notices. Please stay updated on any product recalls.
- **Online Shopping:** If purchased online, ensure that the seller meets safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, look for an EU-based contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Use Personal Protective Equipment (PPE):** Always wear safety glasses and gloves when using the bore brush to protect against metal splinters and cleaning materials.
- **Avoid Aggressive Cleaning:** While the stainless steel brush is effective, excessive use can accelerate wear on the barrel.
- **Inspect Before Use:** Check the bore brush for any signs of damage before using it. Do not use if damaged.
- **Proper Handling:** Handle the bore brush with care to avoid injury. Do not use excessive force during cleaning.
- **Storage:** Store the bore brushes in a dry place, away from moisture and direct sunlight.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Attach the bore brush to a cleaning rod with the appropriate thread size (540 threads for .17 and .20 cal; 832 threads for other calibers).
 3. Confirm that the brush is securely attached before use.
- **Usage:**
 1. Insert the bore brush into the bore of the firearm.
 2. Rotate the brush while pushing it through the bore to effectively clean fouling and lead deposits.
 3. Pull the brush back out of the bore without twisting, to avoid damage to the brush and the firearm.
 4. Repeat the process as necessary, but avoid excessive scrubbing to prolong barrel life.
 5. Clean the bore with a suitable solvent and patch after using the brush for optimal results.

Disposal Instructions

- **Dispose of Responsibly:** When the bore brush reaches the end of its life, dispose of it in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle the metal components of the bore brush.

Contact Information for Further Support

For assistance or inquiries regarding safety and usage, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES. Thank you for your attention to safety.
