

# STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES - STANDARD LINE STAINLESS 375 CALIBER RIFLE BRUSH 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## Tough Stainless Steel

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Stainless Steel Bore Brush - For severely leaded, fouled or rusted bores, the aggressive cleaning action of a stainless steel brush can help get them clean. However, the aggressive action accelerates wear, and regular use can shorten barrel life. SPECS: Bristles: Available in stainless steel. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 cal. 5-40 threads, all others 8-32 thread.

# Safety Instruction Guide for STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES

## Introduction

Thank you for choosing the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully to understand how to handle and maintain your bore brushes safely.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to clean rifle bores.
- Always inspect the bore brushes before use for any signs of damage or wear.
- Keep the bore brushes out of reach of children and pets to prevent accidents.
- Use personal protective equipment (PPE) such as safety goggles and gloves when using the bore brushes to protect against debris and potential injury.
- Follow local regulations and guidelines when disposing of used bore brushes.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The stainless steel bristles can cause injury if misused. Handle with care to avoid cuts or scratches.
  - The aggressive cleaning action may accelerate wear on the barrel. Regular use may shorten barrel life.
- **Avoiding Hazards:**
  - Always use the bore brushes with a compatible cleaning rod to prevent damage.
  - Do not apply excessive force while using the brushes to avoid damaging the bore.
  - Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- **Age Specific Warnings:**
  - This product is not intended for use by individuals under 18 years of age. Adult supervision is recommended when used by younger individuals.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solvent.

### 2. Installation:

- Attach the bore brush to the cleaning rod using the appropriate threading (540 threads for .17 and .20 cal, 832 thread for all others).
- Ensure the brush is securely fastened to prevent detachment during use.

### 3. Usage:

- Insert the bore brush into the bore from the chamber end (if applicable) or the muzzle end.
- Use a smooth, even motion to push the brush through the bore. Avoid excessive force.
- Pull the brush back out of the bore and repeat as necessary until the bore is clean.
- After cleaning, remove the bore brush from the cleaning rod and clean it with solvent to remove

any debris.

#### 4. **PostUsage:**

- Inspect the bore brush for wear or damage after use. Replace if necessary.
- Store the bore brush in a dry place, away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of used bore brushes in accordance with local waste management regulations.
- Do not dispose of the bore brushes in regular household waste if they show signs of wear or damage. Follow specific guidelines for hazardous waste disposal if applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the EU contact point for safety inquiries. Check the official EU Safety Gate platform for updates on product recalls and safety notifications.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES. Thank you for your attention to safety!
