

STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES - STANDARD LINE STAINLESS 416 CALIBER RIFLE BRUSH 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough Stainless Steel

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Stainless Steel Bore Brush - For severely leaded, fouled or rusted bores, the aggressive cleaning action of a stainless steel brush can help get them clean. However, the aggressive action accelerates wear, and regular use can shorten barrel life. SPECS: Bristles: Available in stainless steel. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 cal. 5-40 threads, all others 8-32 thread.

Safety Instruction Guide for STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before using the bore brushes to understand how to use them safely and effectively.

General Safety Guidelines

- Ensure that the bore brushes are used only for their intended purpose.
- Keep the brushes out of reach of children and vulnerable individuals.
- Inspect the bore brushes before each use. Do not use if damaged.
- Store the brushes in a dry place away from direct sunlight and moisture.
- Follow all local regulations concerning the use and disposal of cleaning tools and materials.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Always wear safety goggles to protect your eyes from debris.
 - Use gloves to protect your hands from sharp bristles and cleaning solvents.
- **Handling:**
 - Handle the brushes with care to avoid injury.
 - Avoid using excessive force when cleaning to prevent damage to the bore or the brush.
- **Cleaning Action:**
 - Be aware that stainless steel brushes can accelerate wear on barrels. Use them sparingly to prolong the life of your firearm.
 - Do not use the brush on nonmetal surfaces or materials that could be damaged.
- **Ventilation:**
 - Ensure good ventilation when using cleaning solvents in conjunction with the bore brushes.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the bore brush, cleaning solvent, and any additional cleaning tools.
- Ensure that your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Select the appropriate bore brush size for your firearm caliber (e.g., 416 caliber).
- Attach the brush to the cleaning rod by screwing it onto the threaded end.

3. **Usage:**

- Apply a suitable cleaning solvent to the brush.
- Insert the brush into the bore and push it through in a smooth motion. Avoid twisting or forcing the brush.
- Repeat the process as necessary, but limit the number of passes to reduce wear on the barrel.
- After cleaning, remove the brush and clean the firearm according to the manufacturer's instructions.

4. **PostUse Care:**

- Clean the bore brush with solvent and allow it to dry before storage.
- Store the brush in a protective case or container to prevent damage.

Disposal Instructions

- Dispose of worn or damaged bore brushes in accordance with local regulations.
- Recycle materials where applicable. Check with local recycling centers for guidelines on metal disposal.

Contact Information for Further Support

For any questions or concerns regarding the safety of this product, please contact the manufacturer or your local distributor. Always ensure that you have the latest information regarding product recalls or safety updates.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES. Thank you for your attention to safety.
