

# **STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES - STANDARD LINE STAINLESS 50 CALIBER RIFLE BRUSH 12 PACK**

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## **Tough Stainless Steel**

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Stainless Steel Bore Brush - For severely leaded, fouled or rusted bores, the aggressive cleaning action of a stainless steel brush can help get them clean. However, the aggressive action accelerates wear, and regular use can shorten barrel life. SPECS: Bristles: Available in stainless steel. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 cal. 5-40 threads, all others 8-32 thread.

# Safety Instruction Guide for STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES

## Introduction

Thank you for choosing the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES. This guide provides essential safety information to ensure the safe and effective use of this product. Please read this manual carefully before use to understand the safety precautions and instructions.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep out of reach of children and vulnerable individuals.
- Regularly inspect the bore brush for signs of wear or damage before each use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bore brush.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The stainless steel bristles can be aggressive and cause damage to the bore if used improperly.
  - Regular use may accelerate barrel wear, leading to reduced firearm lifespan.
- **Instructions for Avoiding Hazards:**
  - Use the bore brush with caution, applying only the necessary pressure to avoid damaging the bore.
  - Avoid using the bore brush on firearms with delicate finishes.
  - Do not use the bore brush on a hot barrel; allow it to cool before cleaning.
- **Age or Audience Specific Warnings:**
  - This product is not suitable for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure your firearm is unloaded and pointed in a safe direction before attaching the bore brush.
  - Select the appropriate caliber bore brush for your firearm (50 Caliber).
  - Attach the bore brush to a cleaning rod with the correct threading (540 or 832, as applicable).
- **Usage:**
  - Insert the bore brush into the bore and apply gentle pressure.
  - Rotate the brush while moving it in and out of the bore to effectively clean fouling and lead deposits.
  - Clean the bore thoroughly after use, and inspect the brush for wear.
  - Store the bore brush in a safe, dry place away from children.

## Disposal Instructions

- Dispose of any damaged or worn bore brushes in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials. Check for local recycling programs.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES, please refer to the manufacturer's website or contact customer service through the provided channels.

By following these guidelines, you can ensure not only your safety but also the effective and responsible use of your bore brush. Thank you for your attention to these important safety measures.
