

STANDARD LINE STAINLESS STEEL HANDGUN BORE BRUSHES - BROWNELLS STANDARD LINE BRUSH, .50 CALIBER HANDGUN, SS, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Stainless Steel Bore Brush - For severely leaded, fouled or rusted bores, the aggressive cleaning action of a stainless steel brush can help get them clean. However, the aggressive action accelerates wear, and regular use can shorten barrel life. SPECS
Bristles: Available in stainless steel. Shank: Steel, looped and wound. Overall length: 2-1/8" (7.3cm) Threads: 8-32 male

Safety Instruction Guide for STANDARD LINE STAINLESS STEEL HANDGUN BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE STAINLESS STEEL HANDGUN BORE BRUSHES by BROWNELLS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you understand the potential hazards associated with the use of stainless steel bore brushes.
- Always use the bore brush in accordance with the manufacturer's instructions.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Regularly inspect the bore brush for signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Risk of Injury:** The stainless steel bristles are aggressive and can cause injury. Always handle the brush with care.
- **Barrel Wear:** Frequent use of stainless steel brushes can accelerate wear on the barrel. Limit use to heavily fouled or leaded bores.
- **Protective Gear:** Wear safety glasses and gloves to protect against debris and potential injuries during cleaning.
- **Safe Storage:** Store the bore brush in a safe place where it cannot fall or be accessed by children.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including cleaning solvent and a cleaning rod.

2. Installation:

- Attach the bore brush to the cleaning rod using the 832 male threads.
- Ensure the brush is securely fastened before use.

3. Usage:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the brush into the barrel from the chamber end.
- Use a backandforth motion to clean the bore thoroughly.
- Do not force the brush; if resistance is felt, remove the brush and inspect for blockages.
- After cleaning, remove the brush and clean the barrel with a patch or cloth.

4. PostUse Care:

- Clean the bore brush after each use to remove debris and solvent.
- Store the brush in a dry place to prevent rust or damage.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- If the brush is worn or damaged, do not attempt to repair it; dispose of it safely.

Contact Information for Further Support

For any questions or concerns regarding the use of the STANDARD LINE STAINLESS STEEL HANDGUN BORE BRUSHES, please reach out to the designated contact point provided with your product.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective cleaning experience with your new bore brushes.
