

STANDARD LINE STAINLESS STEEL HANDGUN BORE BRUSHES - BROWNELLS STANDARD LINE BRUSH, .50 CALIBER HANDGUN, SS, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Stainless Steel Bore Brush - For severely leaded, fouled or rusted bores, the aggressive cleaning action of a stainless steel brush can help get them clean. However, the aggressive action accelerates wear, and regular use can shorten barrel life. SPECS
Bristles: Available in stainless steel. Shank: Steel, looped and wound. Overall length: 2-1/8" (7.3cm) Threads: 8-32 male

Safety Instruction Guide for STANDARD LINE STAINLESS STEEL HANDGUN BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE STAINLESS STEEL HANDGUN BORE BRUSHES by BROWNELLS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow all instructions carefully.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use when handled according to these instructions.
- **Enhanced Recalls:** In the event of a safety issue, consumers will be notified through standardized recall notices, and remedies will be provided free of charge.
- **Online Shopping:** This product meets the same safety standards as those sold in physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact information provided with your purchase.
- **Rapid Alerts:** Stay informed about product safety through the EU's Safety Gate system for updates on unsafe products.

Specific Safety Precautions for Use

- Always inspect the bore brush before use for any signs of damage or wear.
- Use the bore brush only for its intended purpose—cleaning firearms.
- Do not use the bore brush on any surfaces other than the bore of a handgun.
- Handle the brush with care to avoid injury from sharp bristles.
- Keep out of reach of children and pets to prevent accidental injury.
- Avoid using excessive force when cleaning to prevent damage to the firearm's bore.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
- Gather all necessary cleaning supplies, including the bore brush and cleaning solvent.

2. Installation:

- Attach the bore brush to a cleaning rod with an 832 male thread.
- Ensure the brush is securely fastened to avoid detachment during use.

3. Usage:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the brush into the bore and use a smooth, backandforth motion to clean.
- Avoid twisting or excessive force to prevent damaging the barrel.
- After cleaning, remove the brush and clean the bore with a patch to remove any remaining debris.

4. PostUsage:

- Clean the bore brush with solvent and allow it to dry before storage.

- Store the bore brush in a safe, dry place away from children.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the bore brush in household waste if it is damaged or poses a safety risk.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For any questions or concerns regarding the use of the STANDARD LINE STAINLESS STEEL HANDGUN BORE BRUSHES, please refer to the contact information provided with your product.

By following these safety guidelines and instructions, you will help ensure a safe and effective cleaning experience with your bore brush. Thank you for your attention to these important safety measures.
