

STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES - BROWNELLS STANDARD LINE STAINLESS 6.5MM RIFLE BRUSH 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough Stainless Steel

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Stainless Steel Bore Brush - For severely leaded, fouled or rusted bores, the aggressive cleaning action of a stainless steel brush can help get them clean. However, the aggressive action accelerates wear, and regular use can shorten barrel life. SPECS: Bristles: Available in stainless steel. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 cal. 5-40 threads, all others 8-32 thread.

Safety Instruction Guide for STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES from BROWNELLS. This guide provides essential safety instructions to ensure the safe use of this product. Please read and understand the following information before using the bore brushes.

General Safety Guidelines

- Always use the bore brushes according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bore brushes for damage or wear before use. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The stainless steel bristles can cause damage to softer metals and surfaces.
- The aggressive cleaning action may accelerate wear on barrels.

- **Avoiding Hazards:**

- Use the bore brushes only on suitable firearms and materials.
- Do not apply excessive force when cleaning to prevent damage.
- Wear protective eyewear to avoid injury from flying debris.
- Ensure that the firearm is unloaded and pointed in a safe direction before use.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is unloaded and in a safe condition.
2. Select the appropriate bore brush size (6.5mm).
3. Attach the bore brush to a cleaning rod with the correct thread size (540 or 832).

- **Usage:**

1. Insert the bore brush into the bore of the firearm.
2. Use a backandforth motion to clean the bore. Do not twist excessively.
3. Remove the bore brush after cleaning and inspect for wear.
4. Clean the bore again with a suitable solvent if necessary.

Disposal Instructions

- Dispose of used bore brushes according to local regulations.
- Do not dispose of in regular household waste if they are contaminated with hazardous materials.
