

# STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES - BROWNELLS STANDARD LINE STAINLESS 7MM RIFLE BRUSH 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## Tough Stainless Steel

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Stainless Steel Bore Brush - For severely leaded, fouled or rusted bores, the aggressive cleaning action of a stainless steel brush can help get them clean. However, the aggressive action accelerates wear, and regular use can shorten barrel life. SPECS: Bristles: Available in stainless steel. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 cal. 5-40 threads, all others 8-32 thread.

# Safety Instruction Guide for STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES

## Introduction

Thank you for purchasing the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully before use to understand the safety measures and proper handling of the bore brushes.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a bore cleaning tool.
- Always follow local laws and regulations regarding the use of firearms and cleaning equipment.
- Keep the bore brushes out of reach of children and unauthorized individuals.
- Regularly inspect the brushes for any signs of wear or damage before use. Do not use damaged brushes.
- Use protective eyewear and gloves when handling bore brushes to avoid injury from bristles or debris.
- Be aware of the potential hazards associated with cleaning firearms, including exposure to cleaning solvents and lead residue.

## Specific Safety Precautions for Use

- Avoid aggressive scrubbing, as this may damage the bore or the brush itself.
- Use stainless steel brushes only on bores that are severely leaded, fouled, or rusted. For less severe conditions, consider using softer materials.
- Do not use the bore brushes on firearms with delicate finishes or coatings.
- Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
- Do not apply excessive force when using the brushes; let the bristles do the work.
- Store the bore brushes in a dry place to prevent rusting or deterioration.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary cleaning supplies, including cleaning solvents and a cleaning rod.

### 2. Installation:

- Select the appropriate bore brush size (7mm for this product).
- Attach the bore brush to the cleaning rod, ensuring a secure fit.

### 3. Usage:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the brush into the bore and push it through with a smooth, steady motion.
- Pull the brush back out of the bore without twisting to avoid damaging the rifling.
- Repeat the process as necessary, depending on the level of fouling.
- After cleaning, run a dry patch through the bore to remove any solvent residue.

### 4. PostUsage:

- Clean the bore brush after use and store it in a dry place.
- Regularly check the condition of the brush and replace it if worn or damaged.

## **Disposal Instructions**

- Dispose of any worn or damaged bore brushes according to local regulations.
- Do not dispose of brushes in regular household waste if they contain hazardous materials.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please reach out to the manufacturer or your point of purchase for assistance. Always refer to the product packaging for specific contact information.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES. Thank you for prioritizing safety in your firearm maintenance practices.
