

# STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES - BROWNELLS STANDARD LINE STAINLESS 8MM RIFLE BRUSH 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## Tough Stainless Steel

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Stainless Steel Bore Brush - For severely leaded, fouled or rusted bores, the aggressive cleaning action of a stainless steel brush can help get them clean. However, the aggressive action accelerates wear, and regular use can shorten barrel life. SPECS: Bristles: Available in stainless steel. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 cal. 5-40 threads, all others 8-32 thread.

# Safety Instruction Guide for STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES

## Introduction

Thank you for choosing the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES from BROWNELLS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read through this document carefully before using the bore brushes.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm caliber before use.
- Always handle all cleaning tools, including bore brushes, with care.
- Keep the brushes out of reach of children and vulnerable individuals.
- Regularly inspect the brushes for wear or damage before each use.
- Use protective eyewear when cleaning firearms to prevent injury from debris.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- **Hazardous Materials:** The stainless steel bristles can cause scratches or damage to the bore if used improperly. Ensure that the brush is used gently and in accordance with the firearm manufacturer's recommendations.
- **Lead Exposure:** If cleaning a bore that has been exposed to lead, take precautions to avoid lead dust. Use appropriate personal protective equipment (PPE) such as gloves and masks.
- **Barrel Wear:** Regular use of stainless steel brushes can accelerate barrel wear. Limit use to situations where aggressive cleaning is necessary.
- **Proper Storage:** Store the brushes in a dry and secure place to prevent rusting and damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including cleaning solvent and patches.

### 2. Attaching the Bore Brush:

- Select the appropriate bore brush for your firearm caliber (8 mm / .323).
- Attach the bore brush to a cleaning rod with the correct threading (540 or 832 as applicable).

### 3. Cleaning the Bore:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the brush into the bore and use a backandforth motion to clean the bore. Do not force the brush.
- After several passes, remove the brush and clean the bore with a patch to remove debris.

### 4. PostCleaning:

- Inspect the bore for cleanliness and ensure no bristles are left behind.

- Clean the bore brush after use and store it properly.

## **Disposal Instructions**

- Dispose of worn or damaged bore brushes in accordance with local regulations.
- Do not dispose of the brushes in regular household waste if they are contaminated with hazardous materials.
- Consider recycling options if available for metal materials.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES, please refer to the manufacturer's contact information provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safer experience while using the STANDARD LINE STAINLESS STEEL CENTER FIRE RIFLE BORE BRUSHES. Always prioritize safety and compliance with local regulations when handling firearms and cleaning equipment. Thank you for your attention and safe handling practices.
