

STANDARD LINE STAINLESS STEEL HANDGUN BORE BRUSHES - STANDARD LINE BRUSH, .44/.45 CALIBER HANDGUN, SS, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Stainless Steel Bore Brush - For severely leaded, fouled or rusted bores, the aggressive cleaning action of a stainless steel brush can help get them clean. However, the aggressive action accelerates wear, and regular use can shorten barrel life. SPECS
Bristles: Available in stainless steel. Shank: Steel, looped and wound. Overall length: 2-1/8" (7.3cm) Threads: 8-32 male

Safety Instruction Guide for STANDARD LINE STAINLESS STEEL HANDGUN BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE STAINLESS STEEL HANDGUN BORE BRUSHES. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow all instructions carefully to minimize risks and ensure optimal performance.

General Safety Guidelines

- Always use the bore brush in accordance with the manufacturer's instructions.
- Inspect the bore brush before each use for any signs of damage or wear.
- Store the bore brush in a dry place, away from children and pets.
- Ensure the work area is clean and free of obstructions before use.
- Use appropriate personal protective equipment (PPE) such as safety goggles and gloves.
- Do not use the bore brush for any purpose other than its intended use.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The stainless steel bristles can cause injury if mishandled.
 - Aggressive cleaning action may accelerate wear on the barrel.
 - Improper use may lead to damage of the firearm.
- **Avoiding Hazards:**
 - Always handle the bore brush with care to avoid injury.
 - Do not apply excessive force when using the brush.
 - Use the bore brush only on compatible calibers (.44 and .45).
 - Avoid using the brush on bores that are not severely leaded, fouled, or rusted.
- **Age Specific Warnings:**
 - This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Attach the bore brush to a compatible cleaning rod.
 3. Secure the attachment firmly to prevent disconnection during use.
- **Usage:**
 1. Insert the bore brush into the bore of the firearm.
 2. Rotate the brush gently while pushing it through the bore to ensure thorough cleaning.
 3. Repeat the process as necessary for optimal results.
 4. After use, clean the bore brush with solvent and store it properly.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the bore brush in general household waste if it is damaged or worn out.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For any inquiries regarding safety or product use, please reach out to your local distributor or the manufacturer's customer service.

Thank you for your attention to these safety instructions. Your safety is our priority.
