

# WOOL BORE MOPS - BROWNELLS WOOL BORE MOP 22-270 CALIBER 12 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

## Pure, Natural

A classic favorite for gun cleaning; virgin wool mop holds lots of bore cleaner or oil, so both ends of the barrel get thoroughly coated. The natural spring of wool helps the mop conform easily to rifling grooves; the looped and twisted brass shank and coupling won't scratch the bore.

## Attributes

- Name: [BROWNELLS WOOL BORE MOP 22-270 CALIBER 12 PACK](#)

# Safety Instruction Guide for Wool Bore Mops

## Introduction

Thank you for choosing the Wool Bore Mops by Brownells. These mops are designed to assist in the effective cleaning of your firearms. This guide provides essential safety instructions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the Wool Bore Mop is compatible with your specific firearm caliber.
- Store the product in a safe, dry place out of reach of children.
- Inspect the mop for any damage before use. Do not use if damaged.
- Avoid using the mop with flammable solvents or cleaners.
- Report any unsafe product experiences to the appropriate authorities.
- Regularly check the EU's Safety Gate platform for recall updates.

## Specific Safety Precautions for Use

- Use the Wool Bore Mop only for its intended purpose of cleaning firearm bores.
- Ensure that the firearm is unloaded before cleaning.
- Do not insert the mop into the bore with excessive force.
- Keep the bore mop away from your face and body while cleaning.
- Use appropriate personal protective equipment, such as gloves and safety goggles, when using bore cleaners or oils.
- Do not allow children or unauthorized persons to use the mop.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the Wool Bore Mop, bore cleaner or oil, and any other tools required.

### 2. Using the Wool Bore Mop:

- Attach the Wool Bore Mop to a cleaning rod with an 832 thread (or 540 thread for .17 cal).
- Apply a small amount of bore cleaner or oil to the mop.
- Insert the mop gently into the bore from the chamber end.
- Pull the mop through the bore in a single motion, using a steady and gentle force.
- Repeat as necessary until the bore is clean.

### 3. PostCleaning:

- After use, clean the Wool Bore Mop according to the manufacturer's recommendations.
- Store the mop in a safe place, away from children and direct sunlight.

## Disposal Instructions

- Dispose of any used bore cleaner or oil in accordance with local regulations.
- If the Wool Bore Mop is damaged or worn out, dispose of it in a manner that prevents harm to the environment.

- Check local guidelines for proper disposal methods for cleaning supplies.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the Wool Bore Mops, please contact the manufacturer or refer to the product packaging for additional information.

By following these safety instructions, you can ensure a safer experience while using the Wool Bore Mops. Thank you for prioritizing safety in your firearm maintenance practices.
