# Safety Instruction Guide for 12 Gauge DoubleUp Brush & Mop Cleaning System

## Introduction

Thank you for choosing the 12 Gauge DoubleUp Brush & Mop Cleaning System. This product is designed to provide effective cleaning for your 12 gauge shotgun. Please read and follow these safety instructions carefully to ensure safe and effective use of this product.

## General Safety Guidelines

- Ensure that the cleaning system is used only for its intended purpose: cleaning 12 gauge shotguns.
- Keep the cleaning system out of reach of children and vulnerable individuals to prevent accidental injury.
- Always inspect the cleaning tools before use for any signs of damage or wear. Do not use damaged tools.
- Use the cleaning system in a wellventilated area to avoid inhalation of any cleaning residues.
- Follow all instructions and safety precautions provided with your shotgun to avoid accidents.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Wear safety glasses and gloves when using the cleaning system to protect your eyes and skin from potential debris.
- **Handling of Brushes and Mops:** Be cautious when handling the brushes and mops, as the bristles can be sharp. Avoid direct contact with bare skin.
- **Avoiding Fire Hazards:** Do not use the cleaning system near open flames or sources of ignition, as cleaning residues may be flammable.
- **Proper Cleaning Technique:** Always push the mop and brush through the bore gently to avoid damaging the barrel. Do not force the tools through the bore.
- **Storage:** Store the cleaning system in a dry, cool place, away from direct sunlight and moisture to prevent deterioration of materials.

## Instructions for Installation and Usage

1. **Preparation:** Ensure that your shotgun is unloaded and pointed in a safe direction before starting the cleaning process.
2. **Assembling the Cleaning System:**
  - Take the bore mop and the bore brush from the packaging.
  - Screw the mop and brush together securely. Ensure they are tightly fitted to avoid separation during use.
3. **Cleaning Procedure:**
  - Insert the assembled cleaning tool into the shotgun bore.
  - Gently push the tool through the bore, allowing the mop to absorb debris and the brush to scrub the interior.
  - Repeat the process as necessary, adjusting the order of the mop and brush for optimal cleaning.
4. **PostCleaning:**
  - After cleaning, remove the mop and brush from the bore.
  - Inspect the bore for any remaining residue and repeat the cleaning process if necessary.
  - Clean the brushes and mops with water and mild soap, then allow them to dry completely before storage.

## Disposal Instructions

- Dispose of any damaged or worn cleaning tools in accordance with local waste disposal regulations.
- Avoid disposing of the cleaning system in regular household waste if it contains hazardous materials.

Check for local recycling options.

## Contact Information for Further Support

For any inquiries regarding product safety, usage, or concerns, please contact the manufacturer or your local distributor. Ensure that you have the product information available for reference.

By following these guidelines, you can ensure a safe and effective cleaning experience with your 12 Gauge DoubleUp Brush & Mop Cleaning System. Thank you for your attention to safety and responsible use.
