[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## **Solvent Resisting Nylon**

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Nylon Bore Brush - New generation bore cleaners attack copper and bronze-based bullet jacket fouling aggressively and are just as hard on bronze cleaning brushes. Our nylon brushes stand up to these super cleaners and won't cause accuracy-ruining scratches. One-piece, looped and wound steel shanks (except Black Powder (BP) series, .17 caliber, and .20 caliber, which have brass shanks). SPECS: Bristles: Available in nylon. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 caliber 5-40 threads, all others 8-32 thread.

# Safety Instruction Guide for STANDARD LINE NYLON RIFLE BORE BRUSHES

## Introduction

Thank you for purchasing the STANDARD LINE NYLON RIFLE BORE BRUSHES by BROWNELLS. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure safe handling and use of the bore brushes to prevent injury.
- Always inspect the brushes for damage before use. Do not use if damaged.
- Keep out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose; misuse can lead to accidents or injuries.
- Be aware of potential hazards associated with cleaning firearms, including exposure to cleaning chemicals and debris.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- When using the bore brushes, wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, to prevent contact with cleaning solvents.
- Avoid inhaling any fumes from cleaning agents used in conjunction with the brushes.
- Use the brushes in a wellventilated area to minimize exposure to harmful vapors.
- Do not apply excessive force when using the brushes to avoid damaging the bore or the brush itself.
- Ensure the firearm is unloaded and pointed in a safe direction before using the brushes.
- Store the brushes in a dry place away from direct sunlight to maintain their integrity.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded and safe to handle.
- Gather necessary cleaning supplies, including cleaning solvents, patches, and a cleaning rod.

### 2. Attaching the Bore Brush:

- Select the appropriate bore brush based on the caliber of your firearm (22 Caliber).
- Attach the bore brush to the cleaning rod by screwing it into the rod's threaded end. Ensure it is securely fastened.

### 3. Cleaning the Bore:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the bore brush into the barrel from the chamber end (if applicable) and push it through to the muzzle end.
- Pull the brush back and forth through the bore several times to remove fouling.
- Repeat the process as necessary, applying more solvent if needed.

### 4. Final Steps:

- After cleaning, remove the bore brush from the cleaning rod.

- Clean the brush with solvent to remove any residue and store it properly.
- Wipe down the firearm with a clean cloth to remove any excess solvent.

## **Disposal Instructions**

- Dispose of any used cleaning solvents and materials in accordance with local regulations.
- Do not dispose of the bore brushes in regular household waste. Check local guidelines for proper disposal methods for cleaning tools and materials.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the product, please refer to the manufacturer's website or customer service for assistance.

Thank you for following these safety instructions. Your safety and the proper use of the STANDARD LINE NYLON RIFLE BORE BRUSHES are our top priority. Enjoy your cleaning experience!
