

# STANDARD LINE NYLON RIFLE BORE BRUSHES - STANDARD LINE BRUSH, NYLON, .35 CALIBER RIFLE, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## Solvent Resisting Nylon

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Nylon Bore Brush - New generation bore cleaners attack copper and bronze-based bullet jacket fouling aggressively and are just as hard on bronze cleaning brushes. Our nylon brushes stand up to these super cleaners and won't cause accuracy-ruining scratches. One-piece, looped and wound steel shanks (except Black Powder (BP) series, .17 caliber, and .20 caliber, which have brass shanks). SPECS: Bristles: Available in nylon. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 caliber 5-40 threads, all others 8-32 thread.

## Attributes

# Safety Instruction Guide for STANDARD LINE NYLON RIFLE BORE BRUSHES

## Introduction

Thank you for choosing the STANDARD LINE NYLON RIFLE BORE BRUSHES. This guide provides important safety instructions and information to ensure safe usage and maintenance of the product. Please read this document carefully before using the bore brushes.

## General Safety Guidelines

To ensure safe use of the STANDARD LINE NYLON RIFLE BORE BRUSHES, please follow these general safety guidelines:

- Always inspect the bore brush before use for any signs of damage or wear.
- Keep the bore brushes out of reach of children and pets.
- Use the bore brushes only for their intended purpose as described in this guide.
- Avoid using excessive force when cleaning to prevent damage to the bore brush or firearm.
- Store the bore brushes in a cool, dry place away from direct sunlight.

## Specific Safety Precautions for Use

When using the STANDARD LINE NYLON RIFLE BORE BRUSHES, please observe the following precautions:

- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Wear appropriate personal protective equipment, such as safety goggles, to protect your eyes from debris.
- Do not use the bore brush with excessive cleaning solvents that may react negatively with nylon.
- Avoid contact with sharp edges or points on the firearm while cleaning.
- If you experience any adverse reactions, such as skin irritation, discontinue use immediately and consult a medical professional.

## Instructions for Installation and Usage

To use the STANDARD LINE NYLON RIFLE BORE BRUSHES effectively, follow these steps:

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including cleaning solvents and a cleaning rod.

### 2. Attaching the Bore Brush:

- Select the appropriate bore brush size for your caliber.
- Screw the bore brush onto the cleaning rod securely.

### 3. Cleaning the Bore:

- Insert the bore brush into the barrel from the breech or muzzle end, depending on the firearm design.
- Use a smooth, steady motion to push the brush through the bore and back out.
- Repeat this process 35 times, depending on the level of fouling.

### 4. PostCleaning:

- After cleaning, inspect the bore brush for wear and replace if necessary.
- Clean the bore with a dry patch to remove any remaining solvent or debris.

#### **5. Storage:**

- Store the bore brushes in their original packaging or a designated cleaning kit to protect them from damage.

## **Disposal Instructions**

When disposing of the STANDARD LINE NYLON RIFLE BORE BRUSHES, please follow these guidelines:

- Dispose of the bore brushes in accordance with local regulations regarding plastic waste.
- If the brushes are worn out or damaged, consider recycling options if available.
- Do not dispose of the brushes in a way that can pose a hazard to the environment or wildlife.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the STANDARD LINE NYLON RIFLE BORE BRUSHES, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website for support.

Thank you for your attention to these safety instructions. Enjoy your cleaning experience with the STANDARD LINE NYLON RIFLE BORE BRUSHES!
