

# STANDARD LINE NYLON RIFLE BORE BRUSHES - STANDARD LINE BRUSH, NYLON, .50 CALIBER RIFLE, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## Solvent Resisting Nylon

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Nylon Bore Brush - New generation bore cleaners attack copper and bronze-based bullet jacket fouling aggressively and are just as hard on bronze cleaning brushes. Our nylon brushes stand up to these super cleaners and won't cause accuracy-ruining scratches. One-piece, looped and wound steel shanks (except Black Powder (BP) series, .17 caliber, and .20 caliber, which have brass shanks). SPECS: Bristles: Available in nylon. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 caliber 5-40 threads, all others 8-32 thread.

# Safety Instruction Guide for STANDARD LINE NYLON RIFLE BORE BRUSHES

## Introduction

Thank you for choosing the STANDARD LINE NYLON RIFLE BORE BRUSHES. This guide provides important safety instructions and usage recommendations to ensure a safe and effective experience with our product. Please read this guide carefully before using the bore brushes.

## General Safety Guidelines

- Ensure that all nonfood products, including bore brushes, are used safely and responsibly.
- Be aware of any risks that may not be covered by other EU laws.
- When purchasing online, verify that the seller adheres to safety requirements equivalent to those of physical stores.
- Special care should be taken when using this product around vulnerable groups, including children.
- For any safety inquiries, refer to the designated EU contact point for this product.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the bore brushes as intended and follow the manufacturer's instructions.
- Inspect the bore brushes before each use for any signs of damage or wear. Do not use damaged brushes.
- Keep the brushes out of reach of children and pets to prevent accidental injury.
- Avoid using excessive force when cleaning to prevent damage to the bore and the brush itself.
- Do not use the bore brushes with incompatible cleaning solutions or solvents.
- If you experience any adverse reactions while using the product, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including the bore brush, cleaning rod, and compatible cleaning solvent.

### 2. Installation

- Attach the bore brush to the cleaning rod by screwing it onto the threaded end securely.
- Ensure the connection is tight to prevent the brush from detaching during use.

### 3. Usage

- Insert the bore brush into the firearm's bore gently.
- Rotate the cleaning rod while pulling the brush through the bore to effectively clean the interior.
- Repeat the process as necessary, but avoid excessive scrubbing to prevent scratches.
- After cleaning, remove the bore brush and clean it with a suitable solvent to remove any residues.

### 4. PostUse Care

- Store the bore brushes in a dry place, away from moisture and extreme temperatures.
- Regularly check the brushes for wear and replace them as needed to maintain effectiveness.

## **Disposal Instructions**

- Dispose of the bore brushes responsibly. Follow local regulations for the disposal of cleaning products and materials.
- Do not dispose of brushes in regular household waste if they are contaminated with hazardous materials. Check for local hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any further inquiries regarding the product, please refer to the designated EU contact point. Stay informed and ensure safe usage of the STANDARD LINE NYLON RIFLE BORE BRUSHES by following the guidelines outlined in this manual. Thank you for your attention to safety.
