

# STANDARD LINE NYLON RIFLE BORE BRUSHES - BROWNELLS

## STANDARD LINE BRUSH, NYLON, 6.5MM RIFLE, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

### Solvent Resisting Nylon

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Nylon Bore Brush - New generation bore cleaners attack copper and bronze-based bullet jacket fouling aggressively and are just as hard on bronze cleaning brushes. Our nylon brushes stand up to these super cleaners and won't cause accuracy-ruining scratches. One-piece, looped and wound steel shanks (except Black Powder (BP) series, .17 caliber, and .20 caliber, which have brass shanks). SPECS: Bristles: Available in nylon. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 caliber 5-40 threads, all others 8-32 thread.

# Safety Instruction Guide for STANDARD LINE NYLON RIFLE BORE BRUSHES

## Introduction

Thank you for purchasing the STANDARD LINE NYLON RIFLE BORE BRUSHES from BROWNELLS. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide thoroughly before using the bore brushes to avoid any potential hazards.

## General Safety Guidelines

- **Product Safety:** Always use the bore brushes as intended. Ensure that they are suitable for your specific firearm caliber.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations similar to physical stores.
- **Special Consumer Focus:** Keep out of reach of children. These brushes are not toys and should only be used by responsible adults.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The bore brushes are designed for cleaning firearm bores. Misuse may lead to damage to the firearm or personal injury.
  - Avoid using the brushes with excessive force, as this may cause bristle damage or injury.
- **Avoiding Hazards:**
  - Always ensure that the firearm is unloaded before using the bore brush.
  - Use protective eyewear to prevent debris from entering your eyes during cleaning.
  - Do not use the bore brush if it shows signs of wear or damage.
  - Keep the brushes away from moisture to prevent rusting of the steel shank.

## Instructions for Installation and Usage

- **Installation:**
  - Select the appropriate bore brush for your firearm caliber (6.5 mm or other compatible sizes).
  - Attach the bore brush to a cleaning rod that matches the thread size (832 for most brushes, 540 for .17 and .20 caliber).
- **Usage:**
  - Insert the bore brush into the firearm's bore gently.
  - Rotate the cleaning rod while pushing the brush through the bore to effectively clean fouling.
  - Pull the brush back out carefully without twisting to avoid damaging the bore or brush.
  - Clean the brush after use and store it in a dry place.

## Disposal Instructions

- Dispose of worn or damaged bore brushes responsibly.
- Check local regulations for proper disposal methods of metal and nylon materials.
- Do not dispose of the brushes in regular household waste if they are damaged or contaminated with cleaning solvents.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the STANDARD LINE NYLON RIFLE BORE BRUSHES, please refer to the contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your STANDARD LINE NYLON RIFLE BORE BRUSHES. Thank you for your attention to safety!
