

# STANDARD LINE NYLON RIFLE BORE BRUSHES - BROWNELLS

## STANDARD LINE BRUSH, NYLON, 7MM RIFLE, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

### Solvent Resisting Nylon

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Nylon Bore Brush - New generation bore cleaners attack copper and bronze-based bullet jacket fouling aggressively and are just as hard on bronze cleaning brushes. Our nylon brushes stand up to these super cleaners and won't cause accuracy-ruining scratches. One-piece, looped and wound steel shanks (except Black Powder (BP) series, .17 caliber, and .20 caliber, which have brass shanks). SPECS: Bristles: Available in nylon. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 caliber 5-40 threads, all others 8-32 thread.

# Safety Instruction Guide for STANDARD LINE NYLON RIFLE BORE BRUSHES

## Introduction

Thank you for choosing the STANDARD LINE NYLON RIFLE BORE BRUSHES from BROWNELLS. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the bore brushes.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning rifle bores.
- Always inspect the bore brush before use for any signs of damage or wear.
- Keep the bore brushes out of reach of children and pets to prevent accidental injury.
- Use personal protective equipment, such as safety glasses and gloves, when handling cleaning chemicals.
- Store the bore brushes in a dry place to prevent corrosion or damage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Avoid using excessive force when cleaning to prevent damage to the bore and the brush.
- Do not use the bore brushes with incompatible cleaning solutions that may cause degradation of the nylon bristles or steel shank.
- Ensure that the bore brush is properly attached to the cleaning rod before use.
- Do not use the bore brush on firearms that are loaded or not properly secured.
- Always follow the manufacturer's instructions for cleaning and maintenance of your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solvent.

### 2. Installation:

- Select the appropriate bore brush size for your rifle caliber (e.g., 7mm).
- Attach the bore brush securely to the cleaning rod by screwing it into place.
- Ensure that the connection is tight to avoid the brush detaching during use.

### 3. Usage:

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the rifle's chamber and push it through the barrel from the breech to the muzzle.
- Repeat this process several times, allowing the brush to thoroughly clean the bore.
- After cleaning, remove the bore brush and clean it with solvent to remove any fouling.

### 4. PostUsage:

- Inspect the bore brush for any signs of wear or damage after each use.

- Store the bore brush in a safe and dry place, away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of any damaged bore brushes in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it is contaminated with cleaning solvents.
- Check with local waste management authorities for proper disposal methods for cleaning materials.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the STANDARD LINE NYLON RIFLE BORE BRUSHES, please refer to the manufacturer's website or customer service channels.

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with your STANDARD LINE NYLON RIFLE BORE BRUSHES. Thank you for your attention to safety.
